A MESSAGE FROM THE CITY OF LLOYDMINSTER

Each year, this guide provides me an opportunity to give a heartfelt welcome to those who stop in to visit and discover what Canada's Border City has to offer, and to say 'thank you' to those who call Lloydminster home.

We are proud of the comforts and amenities the region presents. There are numerous organizations celebrating many different nationalities, cultures and traditions. Genuinely invested in developing and embracing our dynamic community, these organizations own and operate many of the city's businesses.

Each year, Lloydminster hosts several must-see regional events, including Winterfest, Canada Day, Fall Fest and Heritage Days. This summer, we'll be on the provincial stage welcoming nearly 2,000 athletes for the 2020 Saskatchewan Summer Games. Next year, the Midget AAA Steelers are poised to host the 2021 Esso Cup.

If you're like me and have driven around our city countless times, I encourage you to stop and listen, and take the time to explore the hidden gems. There is a lot to do and take in; you may be surprised at what you'll discover.

Sincerely,
Gerald S. Aalbers,
Mayor, City of Lloydminster

A MESSAGE FROM THE CHAMBER OF COMMERCE

Ranked high for its quality of life and entrepreneurial opportunities, Lloydminster holds the distinction of being the Heavy Oil Capital of Canada. Our beautiful and vibrant city offers visitors a dynamic community to discover, experience or even call home. This guide will help you to learn more about what our great city has to offer.

Whether for business or pleasure, we would like to welcome you to Canada's only Border City. Welcome to Lloydminster!

Paul Melrose-Wyatt
Chamber President

CANADA'S BORDER CITY

UNITY AND HARMONY

Welcome to Lloydminster, Canada's only Border City! From unique industries including agriculture, oil and gas, retail, and education, to varying landscapes like sprawling prairie hills and stunning sunsets, our diversity is what makes us beautiful. Whether you're staying for a visit, settling in for the long haul, or you're part of a family who've been here for generations, we say, "Welcome; we know you'll love it here."

BETTER TOGETHER

HOW LLOYDMINSTER CAME TOGETHER

The Lloydminster area was first settled by the Barr Colonists: in 1903. When the provinces of Alberta and Saskatchewan were established in 1905, with the Fourth Meridian shuttling through as the dividing line between the two, Lloydminster was essentially split in half. This created quite a dilemma! Therefore, the two unique communities needed to be established each to themselves. Lloydminster, Alberta was declared a village in July 1906, while Lloydminster, Saskatchewan was established as a town in April 1907. After the devastating fire of 1929, Lloydminster again merged into one community, formally declared on May 20, 1930.

HELLO, LLOYDMINSTER

OUR NAMESAKE STARTED HERE

A merger between the word "minster" and "Lloyd", Lloydminster was named in April 1903 after one of the founding Barr Colonists Reverend George Exton Lloyd. "Minster" was used to pay respect to the church, while the word "Lloyd" was used to honour the Reverend's family name. Contrary to popular mispronunciation, Lloydminster isn't correct, even though we think the late Reverend George Exton Lloyd would get a kick out of it!

TALL AND STRONG

LLOYDMINSTER'S BORDER MARKERS

Without a doubt, Lloydminster's most recognized landmarks are the four orange border markers located at the intersection of Highway 16 (Trans-Canada Highway) and Highway 17. Erected in 1994, the tall, towering, and tremendous monuments symbolize four pillars within the region.

First, oil and gas, which continues to be an economic driver for Lloydminster and area residents. Second, agriculture, another keystone of the local economy. Third, the Barr Colonists. This group of settlers are credited with establishing Lloydminster over 100 years ago. Finally, the fourth border marker symbolizes the Métis and First Nations of the region.

Take a moment to get up close and personal with the border markers; you'll be glad you did! You'll notice a gap between the installations; this is intentional. Each structure is meant to mimic the original stakes used when the boundary lines for the provinces of Alberta and Saskatchewan were established.

While you're on site, you simply must stand in two provinces at once. Yes, you read that right. Tourists and locals alike delight in the pleasure of placing one foot in Saskatchewan, and one foot in Alberta. Be sure to use the official hashtag #DiscoverLloydminster for a chance to be featured on Discover Lloydminster's social media channels.

BUD MILLER ALL SEASONS PARK

Come summer, the world's your oyster. Enjoy the sunset on the luscious hillsides, take in a satisfying long run on the winding trails, or pack a picnic to enjoy park side. POWERING THE MIDWEST

OUR INDUSTRY

When we say Discover Lloydminster, we mean it! There's so much to take in, but first we suggest you get acquainted with what makes this area tick. Nestled on the border of Alberta and Saskatchewan, Lloydminster boasts a robust economic scene including a vibrant agriculture sector, steady oil and gas activity, plus educational and entrepreneurial opportunities for any age and stage of life.

HELLO, WE'RE OPEN (AND AWESOME!)

ENTREPRENEURIAL ADVENTURES AWAIT

For those with the entrepreneurial itch, Lloydminster is the perfect location to set up shop. In fact, the federal government recently invested \$1.1 million into the Women Entrepreneur's Strategy (WES) Ecosystem Grant through Community Futures Lloydminster and StartUp Lloydminster. This fact, coupled with a bustling region boasting a low median age (the average citizen is under 35!), makes Lloydminster the perfect ground in which to plant your entrepreneurial seeds and see your business grow.

GOOD AS GOLD

BLACK GOLD, THAT IS

If you've been around the prairies for any length of time, you've likely heard the legend of the local farmer who discovered oil by surprise. Lloydminster's got our own version of this tale, starring farmer Charlie Marren. Rumour has it Mr. Marren led his cattle to water for a drink, when they refused. Surely enough, Farmer Marren's suspicions were confirmed when a sample showed there's oil here! Now, the oil and gas industry remains a veritable employer in Lloydminster and area. Companies including ATCO, Husky Energy, and several large and mid-sized firms continue to operate in the area.

LEARNING IN LLOYDMINSTER

LAKELAND COLLEGE, REEVES BUSINESS COLLEGE, AND MORE

It's true you can learn wherever you are, but when you choose Canada's only Border City, you're in for a real treat. Home to several post-secondary institutions (including Lakeland College and Reeves Business College), learning is yours for the taking. Lakeland College boasts two campuses (Lloydminster and neighbouring town Vermillion, Alberta), on-campus residences, college-level sports, plus degree programs, diplomas, and certificates. If you're searching for another option, may we suggest Reeves Business College? Designed to help students learn at an accelerated pace, this institution offers over 20 diploma and certificate programs in health care, art and design, legal work, and education. Check their respective websites for information regarding intake, tuition, scholarships and bursaries, and more.

FOOD & DRINK

TAKE A BITE

Three Trees Tap + Kitchen

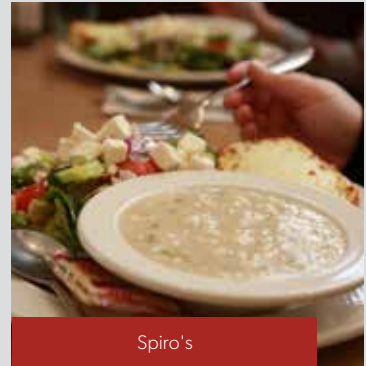

They say variety is the spice of life, so you're in for a treat when navigating the dining scene in Lloydminster. From burgers to brunch, desserts to drinks, mains to munchies, your senses will be satisfied when you're eating out on the town...errrr...city, when you're in Lloydminster.

HELLO, CUP OF JOE

COFFEE AND CONVERSATION

The smell of freshly brewed coffee greets you as you walk through the doors, your stomach begs for a tasty baked treat, and you're ready to settle in for an afternoon of conversation, reading, and relaxing. Lucky you, Lloydminster's got you covered. Home Hardware Building Centre boasts a unique gem called Timber Café. This delight serves daily lunch specials, hot and cold drinks, snacks and baked goods, and is fully licensed. Be sure to stay and browse the curated selection of home goods before you depart, or head downtown to experience the newly opened Downtown Café. This little treasure offers premade sandwiches, salads and veggie trays along with ready-to-order paninis, rice bowls, fresh soup and more. Lloydminster also offers a few of the larger coffee staples including Starbucks and Second Cup. Second Cup is a freelancer's paradise, with ample room for study groups, meetings, and gatherings of all kind. For a full listing of places to get your caffeine fix, check the listings at the end of this section.

ATHLETIC APPETITES ROOM FOR THE WHOLE TEAM

Spiro's

For those visiting for a sporting event, tournament, or just passing through, Lloydminster's ready to curb your athletes' appetites both before and after the big game. Consider a visit to Boston Pizza or Spiro's. Both sit-down restaurants cater to big group sizes and offer options for a variety of dietary considerations. Be sure to call ahead, book your tables, and pre-order your meals! They'll get your team fed and back on the road (or to the rink or field) in no time.

The Scoop Ice Cream

DOWNTOWN DELIGHTS

HIDDEN GEMS AND LOCAL FAVOURITES

Moseying downtown is never a bad idea, and it's especially good when you've got an appetite! For those who love spice, we recommend a visit to the Spice Hut. This charming restaurant serves authentic East Indian dishes the whole family will enjoy, including vegan and gluten-free options. Station 51 Bar and Grill offers delicious steak, wings, a bar menu until 2 am, and of course, a full selection of icy cold brews to wash it all down with. Speaking of wings, if you're downtown you must try Wing'n It. This delightful spot serves over 100 flavours of chicken wings (bone in, or boneless, they've got it all), shakes, nachos, and classic fare. For those seeking a taste of Vietnam, we suggest taking a bite at East Market Noodle House. Spring rolls, pho, bubble tea, and more await. After you've had your fill, you'll be craving something decadent. We suggest satisfying your sweet tooth with a fresh cupcake, cookie, or treat from Hey Sugar! Bakeshop. This local gem hand prepares a variety of iced cupcakes, bars and cookies, plus stocks an impressive selection of international candy and soda.

Firecrust Pizzeria

WELCOME SPECIAL GUESTS

GOURMET DINING SHINES

Three Trees Tap + Grill, Sawmill Prime Rib and Steakhouse, Mr. Bill's Family Restaurant, and Longbranch Restaurant are just a few of the options waiting to help you wine and dine your family, friends, or business associates. Each site boasts a thorough menu complete with local favourites, a wine and cocktail list, dessert menu, comfortable seating, plus many offer a private space for meetings or intimate gatherings. Check the listings section for other opportunities for fine dining while in the Border City.

LITTLE TUMMIES

FAMILY FRIENDLY OPTIONS

Searching for a place to satisfy the littlest diners in your group? Lloydminster's chock-full of options! If your crew is craving classic fare like chicken fingers and fries, macaroni and cheese, or good ol' fashioned pizza, we recommend visiting Montana's or Humpty's Family Restaurant. Each offers a kids' menu (often with dessert), fun colouring sheets, and a comfortable atmosphere for ages one to 100. For those who prefer pancakes, check out Denny's, Cora, Smitty's, or The Diner (formerly Sunny's Café). These sites offer great options for the junior set and will keep your kiddos happily munching so you can enjoy your meal with both hands.

Gold Horse Casino

BETWEEN BREAD

BURGERS, SANDWICHES, AND WRAPS

Sometimes nothing but a burger will do. Classic franchises like Burger King, McDonald's, Wendy's, A & W, Carl's Jr., and Fat Burger abound, with drive-through or dine-in options available. If you're searching for a perfect patty from a locally owned venue, we suggest heading to Maggie Mae's Family Restaurant, The Proper Eats and Drinks, or Gold Horse Casino Restaurant. Each offers their spin on the house burger, alongside traditional accompaniments like fries, tossed salad, and icy drinks. For the donair lover in your life, you'll be remiss if you don't visit a Lloydminster legend: Tasty K's. This shop offers a full roster of beef donair sandwiches, subs, and wraps, plus an array of stacked sandwiches (turkey, egg salad, vegetarian, seafood salad, and more) and decadent desserts like iced brownies, jumbo monster cookies, and carrot cake. A hidden locale is the Bean Counter Café, located in Synergy Centre (home to Synergy Credit Union and Meyers Norris Penny). This intimate coffee shop offers comfortable seating and serves fresh-made sandwiches, soups, desserts, plus coffee and tea.

FANCIFUL FLAVOURS

TAKE AN EXOTIC TRIP

A flavourful bite of world cuisine is always a good idea. For those craving a taste of the Orient, may we suggest a visit to Lucky Garden, Shangri-La, Red Ginger Restaurant, Soleilki Asian Fusion, or Taste of Asia Buffet? If sushi is more your style, consider heading to Sushi Wa or Lloydminster's newest sushi destination: Sushi Sora. Handrolls, sashimi, tempura, and teriyaki dishes await! Greek is done deliciously in Lloydminster at Spiro's Family Restaurant. Moussaka, souvlaki, avgolemono (chicken lemon rice soup) and other authentic Greek delicacies await; be sure to make a reservation if you're visiting over the weekend! Garlic, cumin, coriander, and cinnamon are just a few of the spices used at Cedar Kabob Mediterranean Grill. This site is owned by a local couple and boasts authentic Lebanese flavours including fatouch salad, delectable falafel, juicy pork, chicken, or beef kabobs, perfectly flavoured rice, and garlic sauce to die for. Spicy East Indian delights live at the Spice Hut. Located downtown, this family-friendly space serves an array of meals including curries, in-house naan bread (try the coconut naan for something new), vegetarian options, and desserts.

4th Meridian Brewery

East Market Noodle House

SPECIAL CONSIDERATION

GLUTEN-FREE, VEGAN, AND MORE

Many local locations offer menu items specially prepared for those with dietary considerations like gluten, dairy, and egg-free, vegan, or other preferences. Check out Timber Café in Home Hardware Building Centre. Many of their lunch and drink options are prepared without animal milk or gluten; be sure to ask if you have questions about their daily menu items. Freshii, located on the west side of Lloydminster, offers many salads, soups, and sandwiches for those focusing on healthy eating. Another great local option is The Diner, located on Highway 17 south. Of course, many franchises promote gluten-free, vegan, or vegetarian meal options. When in doubt, ask their helpful staff.

BRUNCH IS BEST

PANCAKES, BACON, AND EGGS

When the sun rises and your stomach grumbles, you can quiet it with a visit to one of Lloydminster's many brunch locations. For classic fare, take a drive to Humpty's Family Restaurant, Denny's, Cora, or Smitty's for plentiful pancakes, crispy bacon, endless coffee, and kid-friendly menu items. If you're searching for a mimosa to accompany your eggs benedict, we suggest a visit to Original Joe's, Browns Socialhouse, or Sawmill Prime Rib and Steakhouse. Each offers a delicious brunch menu, with Sawmill promoting a plentiful breakfast buffet including cheese and fruit plates, an omelette station, delectable baked goods, and all the hot breakfast foods you could dream of.

TAKE A TRIP

TASTES ARE A STONE'S THROW AWAY

If you're looking to add a road trip before your dining experience, may we recommend a visit to the Honey Pot Eatery and Pub? Located in Wainwright, Alberta, this charming local restaurant is known for its mouth-watering appetizers, succulent mains, decadent desserts, and lush cocktail list. Don't take our word for it, try it for yourself! Another hidden gem can be discovered in Derwent, Alberta. Derwent Pizza is gooey, thick, loaded with toppings, and simply worth the drive. Anthony's Classic Grill and Nick's Family Restaurant are located just down the road in Vermilion, Alberta, with each boasting a family-friendly atmosphere, full menu, wine and beer list, and of course, dessert.

ENTERTAINMENT

FUN FOR EVERYONE

Here Comes Santa Claus Day

There's always something to do in Lloydminster. From special events to family-friendly festivals, to concerts, performances, and games, to make-your-own-fun activities like bowling, gaming, and crafting, your social calendar can be packed every day of the week if you desire.

SUMMER'S BEST

IT'S TIME FOR CAMP!

For most kids, the start of summer marks the end of another school year and the beginning of their absolute favourite: summer camp season! Luckily, Lloydminster and area has plenty of options to keep their minds learning, their bodies active, and their social skills thriving. Check out the wide variety of day and weeklong camps hosted by the City of Lloydminster. Held at Bioclean Aquatic Centre, Lloydminster Cultural and Science Centre, and Servus Sports Centre, these jam-packed camps offer structured and unstructured programs focusing on art, sports, music, and more. In addition, Lloydminster Native Friendship Centre offers their Children's Summer Day Camp Program. For full details, connect with them online or in person. For those seeking a summer camp experience with a focus on personal faith, check out Pleasantview Bible Camp, Manitou Lake Bible Camp, St. Anthony's Sandy Beach Community Camp, or a range of vacation bible schools hosted by several local churches. For full details, check the listing section, then get in touch.

STRIKE!

THE BEST OF BOWLING

If your idea of a good time includes five or 10 pins, a family-friendly atmosphere, and possibly some glow in the dark activity, you're in luck! Lloydminster and surrounding areas have several bowling lanes you and your friends can enjoy. If you're right in the city, head to Lloyd Lanes Bowling Alley for five and 10 pin bowling, interactive games, and party rooms. A short distance away is Lashburn Bowling Alley in Lashburn, Saskatchewan, or Striker Lanes in Vermilion, Alberta. Either way you slice it, you'll be in for an evening of merriment as you and your friends yell "STRIKE!"

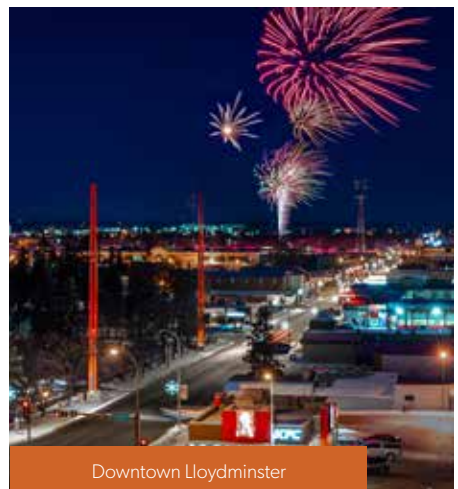

Marching Band in Fair Parade

FESTIVALS AND FUN

SEASONAL DELIGHTS FOR ALL AGES

Lloydminster is home to a number of annual festivals and special events, and you won't want to miss any of them! Winter blues can hit anyone hard, but lucky for you Lloydminster comes through. Check out Swimming and Snowflakes (hosted at Bioclean Aquatic Centre) and Winterfest (hosted on Family Day each year) for family-friendly fun regardless of the weather gauge. Come winter's thaw, be sure to start training so you can participate in the many fun runs beginning in May. Lloydminster Region Health Foundation's annual Muck Run, Lloydminster Public School Division (LPSD) Family Fun Run, and Bea Fisher Centre's Colour Within Run are just a few of the ways you can get some exercise while making memories with loved ones. Come June, Streetfest is a must-attend, period. With food booths, local artisans, live music, a kids' zone, interactive activities, beer gardens, and more, downtown Lloydminster shines bright during this annual event. In conjunction with Downtown Lloyd Streetfest is the annual Arts Without Borders Festival, featuring writers, artists, and creators of all types. This showcase is a must-see if you're in the arts scene. Of course, come July you'll adore spending time at Lloyd Ex Fair. Kicking off with the annual Lloyd Ex Fair Parade, you'll go to bed happy (and exhausted) after taking in the sights and sounds of the rides, musical entertainment, activities, and tastes offered through the delicious food booths. Speaking of food, Sandy Beach Regional Park offers Summer Markets each long weekend from May to September. Offering freshly grown and made items, handmade crafts, kid-friendly activities, and interactive games like horseshoes, ring toss, and more, these seasonal delights are worth the quick drive out to Sandy Beach.

Lloydfest, hosted each August in Bud Miller All Seasons Park, is a vibrant display of exotic tastes, art, music, and celebration of culture. When the temperature drops and fall descends, bundle up and head to beautiful Bud Miller All Seasons Park for Fall Fest. Old fashioned wagon rides, hay mazes, live music, roasted corn and hot dogs, fall-flavoured treats, and local products are available, most at little to no charge! Each holiday season, a number of annual events bring smiles to residents including the Jingle Bell Artisan Market, Here Comes Santa Claus Day, and the Parade of Lights, to name just a few. ALL THE WORLD'S A STAGE

Whether you're into Streep or Streisand, you'll discover entertainment with a dramatic flair when you're in Lloydminster. You'll be delighted all year long as the show always goes on...it just changes stages. Vic Juba Community Players host open auditions for adults, and typically put on two ticketed productions each year. For the tiny budding actors and actresses in your life, may we recommend connecting with Lakeland College? Their Lloydminster campus boasts a thriving children's theatre program, regaling audiences each year with a stunning production complete with lights, sound, costumes, choreographed dances, and chorus. Past performances have included the Lion King Jr, the Little Mermaid Jr, Mary Poppins, and more. Speaking of young stars getting their big breaks, both Lloydminster Comprehensive High School and Holy Rosary High School offer drama courses for high school students, with each hosting a ticketed play each spring. Titles like Nunsense, Mama Mia!, and more have delighted audiences of all ages. These talented youth also take the stage during the annual fundraising dinner theatre hosted at the Lloydminster Legacy Centre, a four-day event designed to raise funds for this local senior's recreational facility. If you like your drama with a side of holiday dinner, you're in luck. This three-night event, affectionately known as the House of Paws Dinner Theatre, is as hilarious as it is popular so you're certain to enjoy yourself. Hosted in late November, the next House of Paws event is set to raise funds for a new animal shelter. A WALKING TOUR

MURALS, MAPS, AND MORE

When you experience your art with a side of spring or summertime breeze, you'll not only see a fun side of the city, you'll be engaging many of your senses in a truly memorable experience. Start by heading downtown to take in the sights of Lloydminster's many creative murals. Ranging from the depiction of the Barr Colonists' journey (located at 4920 - 50 Street), to the calm nature of a child playing with their train (located at 4816-49 Avenue), to the creative spirit that happens when colour, shape, and whimsy merge (check out 5303-50 Avenue, 5008-50 Avenue, and 5007-50 Street), you'll be as awed as you are inspired when you're through. (If you're capturing these murals on your phone, be sure to use the hashtag #DiscoverLloydminster for your chance to be featured on our social media page!) Jump in your vehicle or hop on your bike to enjoy other murals and installations located in Bud Miller All Seasons Park, Lakeland College, on the east side of the city at Lloydminster Cultural & Science Centre, or at City Hall. Take a peek at the Public Art Map in this guide so you can plan your route to enjoy them all.

Lloydminster Cultural & Science Centre

LET'S LEARN TOGETHER

LLOYDMINSTER CULTURAL & SCIENCE CENTRE

The history of Lloydminster, information about local oil production, a real pioneer homestead, plus stunning displays and galleries can all be found in one place: Lloydminster Cultural & Science Centre (LCSC). For those curious as to our region's oil production, look no further than the Oilfield Technical Society (OTS) Heavy Oil Science Centre. This interactive space is perfect for kids and kids at heart, with its educational features (learn how oil was found in our region), colourful installations, and interesting facts. If you're searching for the sights and sounds of our history, look no further than the vintage pioneer "town" set up outdoors here. LCSC is the proud home of Lloydminster's first wood-frame residence, originally owned by Barr Colonists William and Alice Rendell! In addition to this charming home, you'll get an up close and personal view of a quaint country church, vintage farm equipment, and more. With one sweep of your imagination, you'll be transported back to the founding days of our fair city. Did you know German-born Count Berthold Von Imhoff spent his life painting, and almost 250 of his 500 paintings are right here in Lloydminster? Imhoff Art Gallery and Theatre is a must see! Additional offerings at LCSC include Fuchs Wildlife Display, rotating exhibits (past exhibits have included World War Women, Canola: A Story of

Canadian Innovation, and Anne Frank - A History for Today), a gift shop, and classroom space. To learn more regarding new exhibits, interactive classes, or what's happening over the weekend you're visiting, connect with them directly online or by phone.

DIVE INTO A GOOD BOOK

NEW ADVENTURES AWAIT

Located in downtown Lloydminster, Lloydminster Public Library offers more than books. Begin by getting your library card (if you don't have one already) to gain access to over 80,000 titles - and that's just the in-house print materials! Library users can also enjoy free hands-on classes and groups (examples include Métis beading classes, Anime Club, and children's story and craft time), internet access, private work and meeting spaces, and more. For those who can't always head to the Library itself, with a library card and a digital device, users gain access to over half a million titles, DVDs, podcasts, and audiobooks with the digital library service called Hoopla. Learning, discovering, and enjoying is easy when you're in Lloydminster! Lakeland College also offers access to their on-campus library with a Lloydminster Public Library card. This site boasts modern work pods, comfortable seating arrangements, a full computer lab, and helpful, knowledgeable staff to assist with your research.

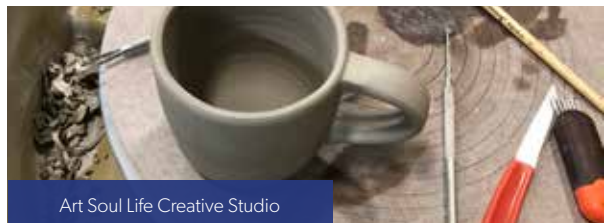

Another great option, when hunting for a good book, is to check out the thrift stores in Lloydminster. The Olive Tree, "For The Interval" Store, and LABIS are just a few that offer great finds and low prices. Keep in mind that their stock replenishes all the time, so be sure to check regularly.

SMART ART

CREATE TOGETHER

If your creative language is best spoken through your hands, you'll discover plenty to keep them busy in Lloydminster. Start in the world of textiles. A number of local businesses and groups, including Country Quilts and Stitches, Lloydminster Log Cabin Quilter's Guild, Fabricland, and Sew in Tune offer on-site classes ranging from beginner to expert, and everything in between. For the junior set, we suggest taking a trip to Create a Friend. This business is a division of Art Soul Life Creative Studio and encourages children to build their own plush friend from start to finish, including selecting the shape, stuffing, outfit, colours, and even sounds. Speaking of Art Soul Life Creative Studio, while you're exploring their Create a Friend location we recommend heading over to their pottery and painting space. Designed for small, medium, and large groups, patrons can indulge their creative side by selecting, painting, glazing, then baking their treasures.

For those who love a spinning wheel and the smell of clay, take a gander at what's happening with the Lloydminster Potters Guild. This passionate group of makers operates out of the Lloydminster Cultural & Science Centre and is always looking for new members. Their wares can be seen for sale at local boutiques and during special events like the City of Lloydminster's annual Jingle Bell Artisan Market. Connect with them online for details regarding membership, classes, meet-ups, and more.

IT'S SHOWTIME

MUSIC AND DRAMA IN LLOYDMINSTER

When you're interested in the musical and dramatic arts, you can find a stage anywhere. Luckily, in Lloydminster, you don't have to search very far. For those inclined to participate (or enjoy) in musical and dramatic arts, we've got four words for you: Vic Juba Community Theatre. Featuring accessible seating for 550 and a state-of-the-art technical system, Vic Juba Community Theatre is centrally located on Lakeland College's Lloydminster campus. Popular artists, theatre troupes, local dance clubs, and musicals take the stage on a regular basis, with over 175 shows featured each year. For music lovers, we suggest considering the Dr. H.A. McDonald Concert Series. Featuring between eight and 12 shows per calendar year, you'll be delighted by unique sights and sounds featuring artists you may not know of.

Additional offerings include the Vic Juba Community Players, an adult-only dramatic troupe who typically host two ticketed stage performances a year. All levels of acting experience are welcome, so try your hand at something new when they call for auditions; connect with them on their Facebook page for more details. Lloydminster Comprehensive High School (LCHS) Drama Club often rents Vic Juba Community Theatre for their annual performance (typically hosted in January), running over the course of three days. These talented youth will take your breath away as they sing, dance, and oftentimes leave you in stitches. Be sure to

inquire about tickets early, as they're known to sell out shortly after announcing their show. More dramatic and musical performances can be enjoyed at Holy Rosary High School, Lloydminster Legacy Centre, and local churches.

Lloydminster Exhibition Grounds is a buzzing hub of activity, and their musical scene is no exception. Big name acts like Tom Petty, Brett Kissel, Trooper, Carly Rae Jepsen, Steven Page, and Aaron Pritchett are just a few of the stars who have graced the stage at the Exhibition in years past. Popular events like the Professional Bull Riders (PBR) Cabaret, Lloyd Ex Fair Grandstand, and Canadian Professional Chuckwagon Association (CPCA) Roots and Boots Cabaret feature of-the-moment talent, an electric atmosphere, and toe-tappin' tunes. Connect with the Exhibition for concert dates, ticket information, and more.

Copper Cork Distillery, Vermilion

SCENIC ST. WALBURG

A FRIENDLY LITTLE PRARIE TOWN

If you're searching for a serene getaway, may we recommend a trip to lovely St. Walburg? Founded in 1953, St. Walburg is located an hour northeast of Lloydminster and offers several family-friendly experiences. First, get your history on with a visit to the Imhoff Museum. Located a few minutes south of St. Walburg in the R.M. of Frenchman Butte, this site is deemed a municipal and provincial heritage property and features the life and work of Count Berthold Imhoff. Born in Germany, Imhoff studied art and found his fame as a decorator of churches, opera houses, large residences, and movie houses. Imhoff continued painting after his move to Saskatchewan in 1914, until his passing in 1939. Much of his work featured First Nations chiefs, European leaders and royalty, religious scenes, and American presidents. His collection features over 250 paintings, most of which are on display at the Imhoff Museum or in the Imhoff Gallery located at the Lloydminster Cultural & Science Centre. For those who want to enjoy a moment of quiet reflection, after you've experienced the Imhoff Museum take a stroll to the forested area and gaze at Our Lady of Lourdes, located just behind the museum itself. People of all faiths are welcome to break for a peaceful pause as they enjoy the scenery. While you're visiting, you'll want to tour St. Walburg and District Historical Museum. Housed in the original Catholic church in St. Walburg, here you'll learn the origin story of the town, family history, and view some of Imhoff's work. For the chuckwagon enthusiasts, may we suggest a visit to the St. Walburg Chuckwagon Interpretive Centre? Originally built in 1919 as the Canadian National Railway station, the original station was closed in 1982 and converted into

a seasonal interpretive centre open during the St. Walburg Blueberry Festival. Speaking of St. Walburg Blueberry Festival, a visit to this picturesque town isn't complete without a belly full of blueberry pie, a few jars of jam to take home, and merry memories. Hosted the fourth Saturday of August, this is the town's event of the year. The festival kicks off Friday evening with an ethnic dinner and dance. Get your tickets early, as both seatings often sell out quickly! Come Saturday you'll need energy for the full day ahead, so get your fill of fluffy pancakes then set out to weave in and out of the open market. Here, you'll have a chance to purchase fresh, wild blueberries, local arts and crafts, homemade goodies, jams, and jellies, and home-based business products. Next, take a gander at the Show and Shine, witness live blacksmithing demonstrations, enjoy the famous Blueberry Tea, and bounce around with the little ones in the kids' area. Live music plays all day, and bustling beer gardens serve up cool, refreshing drinks (alcoholic and non-alcoholic). The day ends with a vibrant dinner and dance.

Jennie's Diner & Bakery, Bonnyville

A CUP OF JOE AND A GOOD CHINWAG

COFFEE'S BEST IN THE COUNTRY

There's something special about a hot, freshly brewed pot of coffee, a just-baked cinnamon roll, the chatter of neighbours and friends, and a game of cards, strum of a guitar, or good book. Luckily, there are several charming coffee shops outside city limits including Route 26, located in St. Walburg, Sask. With a seasonal rotating menu, this licensed site prepares an array of vegan and gluten-friendly options certain to whet your appetite. Check in regularly as they often host impromptu jam sessions, steak nights, horse-drawn sleigh rides, and special events. Take a drive west of Lloydminster into Vermilion, Alta., then venture downtown to The Red Brick. This newcomer is a visual and sensual delight, as their charming interior boasts antique décor, flowers, and comfortable seating. Take in a deep breath and smell the cinnamon, nutmeg, coffee, and cream; you may even catch a whiff of their lunch special or soup of the day simmering away. For those who like the soothing sound of the waves, head to Cold Lake, Alta.. While you're there, refresh yourself at Beantrees Café. This delightful spot features hot and cold beverages, lunch specials, homemade soups, and an array of sweet treats. Connect with Beantrees Café online; they're often host to interactive trivia nights, book club meetups, movie screenings, and more. Drive south to the charming town of Provost, Alta. and stop in at the Bean Counter Café. PICTURESQUE PARADISE HILL

PRARIE BEAUTY ABOUNDS

Bird watching, historic battlegrounds, and the charm of a tiny town await when you make the trek north east to Paradise Hill, Sask. As you enter the township, you'll see the world's largest ox and cart. Erected in the early 1990s, these symbols pay homage to the first overland route between Fort Garry and Fort Edmonton. The route passed directly through what is now known as Paradise Hill. Amazingly, you can still view the deep ruts from the weight of carts and wagons left many years ago. For those seeking a look into local history, the ground near Paradise Hill is your key to unlocking the past. Head to the Frenchman Butte Museum, located just 15 minutes from Paradise Hill, to experience a depiction of an old-time small town. The grounds include a blacksmith shop, library, log cabin (complete with tea house!), school, restored house, and the Lloyd Furman Building which showcases a stunning collection of artifacts. North of Frenchman Butte you can bear witness to the Battle of Frenchman Butte National Historic Site. Here, you'll see the rifle pits, battle sites, and grounds where the Riel Rebellion of 1885 was fought. Fort Pitt Historic Park is another must-see while you're in the area. Located 15 kilometres west of Frenchman Butte on grid road #797, then five kilometres south, Fort Pitt was home to a thriving fur trading post. Importantly, Fort Pitt was the location of the signing of Treaty 6 in 1876. During the 1885 Northwest Rebellion Fort Pitt was burned, but history seekers can still read plaques that vividly describe the moments in history that occurred on this sacred

HOLIDAY HAPPENINGS

INDOOR AND OUTDOOR FUN AROUND

There's always something to do in the areas surrounding Lloydminster, and doubly so when there's a holiday or special seasonal event! Come wintertime, check out the Canadian Pacific (CP) Railway holiday train. In years past, this special Christmas choo-choo has stopped in nearby towns Provost, Alta. and Macklin, Sask. located just an hour south of Lloydminster. On long weekends over the summer months, Sandy Beach Regional Park hosts summer markets, a family-friendly experience featuring local growers, artisans, handicrafts, and more. Of course, there's always a lake or two to take in, whether you're splish-splashing in the hot summer sun or strapping on your skates for a glide around the pond or a friendly game of shinny.

Climb Thru Time Museum, Paradise Valley

TERRIFIC TURTLEFORD

WONDERFUL IN EVERY SEASON

Located just an hour east of Lloydminster, the charming town of Turtleford, SK offers comfortable accommodations, memorable restaurants, all the amenities you need, and welcomes visitors of all ages. Start your adventure with a visit to the world's largest and friendliest turtle, Ernie! Ernie was constructed over 30 years ago in recognition of Turtleford's achievement of town status. If you're posting to social media, be sure to use the hashtag #DiscoverLloydminster for your (and Ernie's) chance to be featured. While you're in Turtleford, head over to Turtleford and District Museum. Open Victoria Day to Labour Day, this former Canadian National Railways site showcases artifacts from early settlers and indigenous people. You'll also enjoy the installation of an authentic, full-sized teepee, installed at the beginning of spring each year. Of course, a visit to Turtleford wouldn't be complete without an adventure at Turtle Lake. A quick, 30-minute drive north east of Turtleford, Turtle Lake offers unserviced and powered campsites, showers and washrooms, wheelchair accessible sites, playgrounds, and concession stand. Be sure to connect with Turtle Lake staff early regarding campsite availability, as this popular site often books up in the winter months. Every adventure should end with a snack, so why not pop into Turtle Grove? This locally owned, one of a kind restaurant features homemade meals, delicious desserts, and live music. When you're finished munching, walk off your meal with a stroll around the beautifully landscaped property and take in the animals. Yes, you read that right – peacocks freely roam the grounds! In addition to these colourful birds, you'll see goats, pigs and several other pint-sized creatures. In the summer, this hidden gem plays host to markets where you can get your hands on homemade treats, locally made apparel, and more! You can find out more on their Facebook page.

HUNTER'S PARADISE

BIG AND SMALL GAME APLENTY

The avid hunter need look no further than Lloydminster and surrounding area for rich, beautiful land teeming with wildlife, including big and small game. Before you begin, ensure you've got proper hunting licenses; they vary from province to province which is especially important when you're in the bush near a Border City. Then, grab your best pals, gear up, and get moving! Big game (elk, deer, moose) and small game (rabbits, geese, duck) are plentiful. After you've made the winning shot, check in with local abattoirs including Diamond 7 Meats (Lloydminster) and Bouma Meats (Provost, Alta.) to ensure you get the perfect cut.

LOCAL BITES

FLAVOURS YOU'LL WANT TO SINK YOUR TEETH INTO

Fresh. Organic. Local. Curiosity piqued? When you're within driving distance of Lloydminster the world's your oyster (well, maybe not literally) as you taste all the delectable local bites the region has to offer. Start with greenhouse-grown vegetables and fruits plus free range animals from Acton's Lower Shannon Farms. Located just minutes north of Lloydminster, their multi-faceted facility boasts several greenhouses, a store, a charming rental space, and an area to watch the goats as they dance and play. For those who crave tastes of a creamier variety, may we suggest checking out two local cheese making locations? Start near Kitscoty, Alta. with a visit to The Cheesiry. The owner was taught cheesemaking in Pienza, Italy, and produces raw milk and pasteurized sheep's milk cheeses from spring to fall each year. Take a peek in the pasture at the East Friesian sheep, sample a few bites, buy a few wedges, then be on your way down the road to your next stop: The Old School Cheesery. Opened in fall 2016 near Vermilion, Alta., this local site produces a range of cheeses including Canadian style brie, cheese curds, and cheddar blocks, with many of their products sold through local grocery stores. A one-hour drive south of Lloydminster to Edgerton, Alta. brings you to Ribstone Creek Brewery. Housed in a former tractor dealership, this charming brewery produces and serves lagers, ales, and IPAs, plus rotating seasonal sips. Grab some friends and make a day trip of it (with a designated driver, of course). Read about more local deliciousness within a short drive at DiscoverLloydminster.ca.

Thank you, everyone, for your support over the years. Discover Lloydminster, and this printed guide specifically, would not be possible without you.

All information is accurate to the best of our ability at the time of printing. Please note, should a business not be listed in the guide, it does not indicate a lack of approval of the aforementioned business. In fact, we encourage readers to get involved and submit business information, discover new gems in our community, and share great events. To do this, please visit our website or contact us directly via email.

If you'd like to advertise, please send us an email to request the ad package. We'll be more than happy to send it your way. Our guide is 100% funded through ad sales, and as such, we truly couldn't do it without the great local businesses who have purchased an ad. If you see one of those businesses in our community, please thank them for us, and let them know you appreciate their support in this value-added resource.
