A MESSAGE FROM THE CITY OF LLOYDMINSTER

Those who spend a little time exploring Lloydminster often remark on an exceptionally warm and welcoming experience – with good reason.

We are a proud and dynamic community with plenty of comforts and amenities, but what sets Lloydminster apart is the people you'll meet in our parks, in our shops and at our community celebrations. Many of our local businesses are owned and operated by the people who are genuinely invested in our community and oftentimes it is those positive interactions at local shops that create a lasting impression for visitors.

Lloydminster is now directly connected to the world by air, having welcomed WestJet as a service provider in summer 2018. Those who are inclined to travel by motorcycle should take note that Lloydminster was recently recognized as 'Canada's Most Rider Friendly Community.'

Each year, Lloydminster plays hosts to several first-class regional events, including Winterfest, Canada Day, Fall Festival and Heritage Days. In 2019, we hope you'll be our guest for some of our exceptional community celebrations. Whether you live nearby, or are just passing through, we hope you will use this guide as a bit of a 'treasure map' to discover all this great community has to offer.

Sincerely,
Gerald Aalbers,
Mayor, City of Lloydminster

A MESSAGE FROM THE CHAMBER OF COMMERCE

On behalf of the Lloydminster Chamber of Commerce board of directors and member businesses, we would like to invite you to discover the wonderful opportunities Lloydminster has to offer. With an exciting array of signature events, great local shopping, and multiple entertainment venues, there will be something on everyone's list.

Known as the heavy oil capital of Canada and ranked high for quality of life and entrepreneurship, Lloydminster offers visitors a vibrant community to explore. Proudly hosting many local, regional, provincial and national indoor and outdoor sporting events and a lively arts and cultural scene gives visitors many reasons to visit our beautiful city. We welcome visitors to Canada's only Border City, whether it's for business or pleasure, and with this guide you'll be able to see all the great things our city has to offer!

Sincerely,
Corrine Kelly-Hyde
President, Lloydminster Chamber of Commerce

A MESSAGE FROM THE CITY OF LLOYDMINSTER

Hello! My name is Katlin Ducherer, Economic Development Officer for the City of Lloydminster and it's my pleasure to welcome you to Lloydminster, AB/SK.

Hang around Lloydminster long enough and you will get used to our unique border location... we promise! If you enjoy the outdoors, Bud Miller All Seasons Park is a definite crowd pleaser. Beautiful through all four seasons and boasting 200 acres of trails, sports and leisure parks, it's a great place to stretch your legs and splash around the state-of-the-art splash park during the summer or ice skate under the prairie northern lights in the winter.

I encourage you to talk to the locals; they'll be sure to recommend at least one hidden treasure or "must do"! While you're here, don't miss our city's festivals and events. The support from the business community and outstanding volunteers takes even the seemingly smallest event or experience to the next level!

We welcome all visitors to Lloydminster, whether for business, leisure or visiting friends and family. Your trip to Lloydminster will be full of special moments and I look forward to welcoming you back again and again.

Sincerely,
Katlin Ducherer
Economic Development Officer, City of Lloydminster

CANADA'S BORDER CITY

UNITY AND HARMONY

Welcome to Lloydminster, Canada's only Border City! Whether you're staying for a visit, settling in for the long haul, or you're a part of a family who has been here for generations, we say, "Welcome; we know you'll love it here"

HELLO BORDER MARKERS

UPRIGHT AND UPLIFTING

If you're in Lloydminster for a mere moment, you're likely to bear witness to the four, towering, centrally-located orange pillars. These symbolic monuments have as much meaning as they do presence, and are undeniably worth a visit if you're passing through.

The largest border markers in the world, these installations are a sign and symbol of four founding pillars. The first pillar symbolizes oil and gas, an established foundation of commerce for Lloydminster and area. The second recognizes another critical institution: agriculture. The third pays homage to the Barr Colonists, the brave founders of the Border City, and the fourth and final pillar represents the First Nation and Metis. If you're lucky enough to get up close to the border markers, you'll see a small gap exists within each steel structure. This gap is intentional, and references the actual border boundary itself, also known as the Fourth Meridian. The shape has meaning too, as the border markers were designed to mimic the stakes used when the provincial border lines were surveyed in 1905.

If you're visiting or new to the area the answer is yes, you can stand in two provinces at once! Head to the border markers and plant your feet firmly in both Alberta and Saskatchewan. Then, take a picture for your scrapbook or social media page (be sure to use our official hashtag #DiscoverLloydminster). Motorists shuttling down Highway 16 and 17 can often see selfie sticks and big smiles when they pass the border markers, as this is a must-see spot for tourists and locals alike.

Unique challenges exist for Lloydminster, as it is Canada's only Border City. Common questions include taxation, business legislation, policing, and more. Read on to discover some of the unique features of living and working in Lloydminster:

- If you're a business operating in Lloydminster, you're exempt from Provincial Sales Tax (PST), regardless of which province you're officially incorporated in. This keeps pricing competitive and prevents discrimination based on location.
- As a driver, you may be faced with different pricing, options, and offerings for vehicle insurance and driver's licenses which is dependent upon your province of residence.
- When Daylight Saving Time kicks in each spring and fall, Lloydminster as a whole operates on Mountain Standard Time. Several surrounding towns have followed suit, to help avoid confusion and to simplify meetings, schedules, and appointment times.
- Royal Canadian Mounted Police (RCMP) have jurisdiction on both sides of the border.
- For those who consume or purchase alcohol or cannabis, legal drinking and purchasing age varies depending upon the province you're procuring goods from, so pay close attention.

STRENGTH IN TOGETHERNESS

TWO PROVINCES, ONE CITY

You'll hear the term "the Fourth Meridian" often while you're in Lloydminster, and for good reason. In 1905 the provinces of Alberta and Saskatchewan were established, with the Fourth Meridian acting as the dividing line between the two. For Lloydminster residents, this created quite the kerfuffle! Now, the Fourth Meridian ran immediately down the middle of their settlement, creating the need for two separate communities to be established. Lloydminster, Alberta, was named a village in July 1906, while Lloydminster, Saskatchewan was established as a town in April 1907. It wasn't until a devastating fire occurred many years later (in 1929) when Lloydminster merged into a community once again. On May 20, 1930, Lloydminster was formally declared one, singular town, uniquely located on the border of Alberta and Saskatchewan.

WHAT'S IN A NAME?

A FOUNDING FATHER

Reverend George Exton Lloyd is known as one of the founding fathers of Lloydminster, as he helped lead the Barr Colonists to their newfound home. In April 1903, the settlement's namesake was created by merging the Reverend's surname: Lloyd, with the word "minster", ultimately paying tribute to the church. Thus, Lloydminster was born.

BUD MILLER ALL SEASONS PARK

LLOYDMINSTER'S LARGEST PARK

Named in honour of Lloydminster's former Member of the Legislative Assembly (MLA) Mr. James "Bud" Edgar Miller, Bud Miller All Seasons Park is a multi-faceted oasis in the middle of the city. Affectionately known as Bud Miller, this park is visited by thousands each year.

SPLISH SPLASH

BIOCLEAN AQUATIC CENTRE AND SPRAY PARK

Lloydminster's only indoor public swimming facility, Bioclean Aquatic Centre, is centrally located in Bud Miller. This family-friendly site offers hours of watery fun for all ages, and runs regular swimming lessons, Red Cross courses (including lifeguarding), special events, and is available for rent. Once the weather turns and the sun shines, you'll want to check out the expansive outdoor spray park located near PSM Lawyers Park Centre. Highly visible from almost all areas of the park, the spray park includes comfortable seating areas, water features, sprayers, fountains, and more. While you're enjoying the hot sunshine, be sure to grab a cool treat from the Bioclean Aquatic Centre concession.

A GATHERING PLACE

OUTDOOR EVENTS

If you're a relative newcomer, you'll soon learn Bud Miller is a gorgeous gathering space for many special events. Centrally located, the site provides ample parking, is within walking distance of major arteries, and makes for a stunning backdrop for family-friendly fun. Check out the City's website for full details surrounding each event including musical performances, free activities, food and refreshments, complimentary shuttle services, and wares available for purchase.

MOTHER NATURE'S FINEST

Attention athletes, weekend warriors, and outdoor enthusiasts! If you fall into any of the categories listed above, you'll be pleased to know Bud Miller offers a great selection of activities designed to get your blood pumping. For the runners, cyclists, and walkers, we suggest hitting up the well-lit pathways winding throughout Bud Miller. Go for as little (or as long) as you want, as many trails extend several kilometres and some merge with additional trails that take you to new locations throughout the city. If you're a sports lover, check out the sand volleyball courts, tennis courts, baseball diamonds, soccer pitches, horseshoe pits, and disc golf course. Of course, those looking for a gentler workout such as peaceful outdoor yoga, forest bathing, and grounding, you're in luck. Bud Miller has many lovely, private pockets of greenspace perfectly suited to help you reconnect with Mother Nature.

SPRING, SUMMER, WINTER, FALL

BUD MILLER'S BEAUTY LIVES IN THEM ALL

Don't let Fear of Missing Out (FOMO) become a growing concern; gear up and get out! Beautiful Bud Miller shines all year long, you simply need to dress for the weather to enjoy it year-round.

Whether you're stopping to smell the freshly bloomed flowers in the spring, playing a round of lawn bowling in the summer, hiking through the various winding trails in the fall, or tobogganing down the numerous hills in the winter, there's fun to be had in the great outdoors, no matter the temperature! POWERING THE MIDWEST

OUR INDUSTRY

Industries including agriculture, education, and entrepreneurship are thriving, with the oil and gas sector remaining a veritable part of the community's fabric. Pair that with a youthful median age (the average citizen is under 32 years of age), and a large trade area and you'll see why Lloydminster is a great city to live, work, and play.

LEADING LEARNING

LAKELAND COLLEGE

Established in 1913, Lakeland College is one of Lloydminster and area's post-secondary education institutions. Recently ranked on the Alberta Top 70 Employers list, they serve over 7,000 students each year from their two campuses located in Lloydminster and the neighbouring town of Vermilion, Alberta. This historical college offers degree programming, diplomas, and certificates, and pride themselves on their focus of putting students in the lead. In addition to the range of education services, they provide on-campus residences, college-level sports (think: volleyball, soccer, basketball, and more), and an array of hands-on opportunities including internships, practicums, and work placements.

POWERING THE PRAIRIES

OIL AND GAS

In a story as old as time itself, local legend has it that farmer Charlie Marren suspected the presence of oil in Lloydminster after his cattle refused to drink the water he led them to. A sample was taken, and his suspicions were confirmed - there's oil here! Fast forward over 100 years, and the oil and gas scene continues to be a major employer within the area. Despite the slow down across the country, companies including Husky Energy, Canadian Natural Resources Limited (CNRL), and a large number of small to mid-sized firms operate in the region.

WELCOME, ENTREPRENEURS!

OPEN FOR BUSINESS

Not only is Lloydminster located in an ideal location (halfway between Saskatoon, Saskatchewan and Edmonton, Alberta), it's as vibrant as it is youthful. These assets, coupled with a low unemployment rate, position it well as a premium spot for a new business venture, franchise location, or start-up of any size, shape, and scale. With a steadily holding population of over 32,000, Lloydminster is open for business.

FROM FARM TO TABLE

OUR REGION'S RICH HISTORY

Statistics don't lie, and Lloydminster's rich agricultural scene provides them aplenty. Take for example the fact that nearly 10% of all cattle raised in Alberta and Saskatchewan are raised within a 160km radius of Lloydminster. Or that the area is the second-largest producer of alfalfa, and the third-largest producer of barley, oats, and mixed grains in the province. The region has been led by farmers for over 100 years, and with numerous third and fourth generation farms, ranches, and agricultural enterprises running full steam ahead, it's safe to say these roots will continue to run deep for generations to come.

While exploring the downtown, be sure to add these businesses to your handy list: Furniture Gallery, Furniture Haus, Midwest Furniture and Appliances, and Border City Furniture. These locations are well stocked, within walking distance, and offer friendly, knowledgeable service. Ask about their sale days, as these special events are always worth making the trip for!

If you'd rather opt for a franchise furniture offering, Lloydminster has you covered. The Brick, Aaron's, easyhome Rent to Own, and Mattress Plus are all open and ready to serve.

LOCAL FARE, AS YOU LIKE IT

FARMERS MARKETS

For locally-conscious shoppers, Lloydminster is rife with alternatives to help you spend your money where it matters most to you: at home. Take a quick jaunt to Acton's Lower Shannon Farms. This site is something to behold, and includes several greenhouses, animals, rental space, and of course a gourmet shop featuring local produce, organic meat, hand-crafted canned goods (think: jams, jellies, and salsas), and more.

If you'd prefer to explore within the city, the best of the farm comes to you by way of Lloydminster's farmers markets. The Downtown Farmers Market (located downtown in the Fred North Community Centre), Lloydminster Outdoor Farmers Market, and Border City Farmers Market (located in the Servus Sports Centre), feature locally-made fare, handcrafted goods, and artisanal products. Connect with these groups through their active social media channels to see where they're popping up, and what goodies they have to entice you with.

Several Hutterite colonies exist in Lloydminster and surrounding area, including O. B. Hutterite Colony and Fort Pitt Farms. Many grocery stores, including the Lloydminster Co-op Marketplace and Sobeys, carry fresh, local produce grown by these Hutterite families. Visit our website at DiscoverLloydminster.ca for more details on locally-grown fare.

BIG BOX SHOPPING

ALL THE MAJORS ARE HERE

From major, big box players like Best Buy, Walmart, and Canadian Tire, to smaller retailers such as La Senza, Pet Smart, and Home Sense, Lloydminster offers the gamut of recognizable names in the retail world. If you're up for a drive, may we recommend an afternoon on the west side of the city? Here, you'll find a collection of well-known names including Michael's, Sport Chek, Winners, Bulk Barn, and Mark's just to name a few. Bonus: they're all within walking distance, and parking is free!

There's plenty of big names that can be found at the LloydMall, including Ricki's, Bootlegger, La Vie En Rose, and more. Check out the online listings portion of the guide on our website at DiscoverLloydminster.ca.

PEDAL TO THE METAL

GET THE GEAR YOU NEED

Whether you're a weekend warrior or a seasoned veteran of the great outdoors, Lloydminster's retail scene has something sure to whet your appetite for adventure. For the cycling enthusiast, hit up Grindin' Gears. This shop carries a collection of bicycles (for all weather), unicycles, skateboards, snowboards, and all the associated gear. Located on 50 Avenue, it's an easy drive (or ride!) to their front doors where inside, all your adventure-based fantasies await.

Road warriors, unite! Lloydminster is the proud home of Edge Harley Davidson. A veritable playground for Harley lovers everywhere, this site features both new and previously-owned motorcycles, a clothing and accessories boutique, plus service shop. If you'd like to look at a collection of dirt bikes, all terrain vehicles, and the like, we recommend you head to Rec-Tec Power Products. Located a brief jaunt outside of city limits on Highway 16 west, this locally-owned store features new and used powersports vehicles, offers financing in-store, plus a full service bay.

DECADENCE AND DETAILS

LLOYDMINSTER'S FASHION BOUTIQUES

If you're on the hunt for that something special, may we recommend exploring our locally-owned boutiques? Chock full of delightfully curated collections of clothing, jewelry, footwear, and infant products, these gems are as beautiful as they are valuable.

Take for instance the thriving fashion scene. Cliff Rose for Clothes has been a mainstay of the downtown core for over 30 years, and it's not difficult to see why. Luxury brand names, a full range of men's sizes, plus scores of product perfect for dresswear, casual wear, and everything in between, this store's elegant selection will have you returning on a regular basis. While you're downtown, be sure to shop the array of ladies boutiques including Hot Peppers Clothing (perfect for casual wear and denim for all ages), Prism Apparel (cute clothing for infants and adults alike), and Juxta & Brixton (luxury labels and quality footwear for women), to name a few.

For the itty bitty fashionistas in your life, head to Lullaby's Baby Boutique. This pretty store is filled with products fit for both mother and child, and is complete with an array of special gift-giving ideas. For a handmade item you won't find anywhere else, may we recommend the Lloydminster Hospital Gift Shop? This tiny store packs a mighty punch, with a lovely selection of knitted babywear, soft blankets, cozy onesies, socks, hats, and more. When you shop at the Lloydminster Hospital Gift Shop, you'll find something adorable plus you'll support enhanced health care in our community with all proceeds going toward the Lloydminster Region Health

Foundation. A newcomer to the baby and children's wear scene is Willow Creek Clothing and Collectibles. This store carries (you guessed it) a combination of baby, children and adult clothing, plus delightful décor and home items.

High end ladies wear lives at Twice as Nice. This fashion boutique called Vermilion home for decades, and made the move to the Lloydminster market a few years ago. Filled with luxury labels, their product quality and service are second to none. A delightful tidbit about this location is the fact that a special boutique, affectionately named The Sweet, is located in the basement. The Sweet carries a handpicked collection of jewelry, accessories, handbags, dresswear, and even some handmade goods crafted by the owner herself.

Fanciful (and practical) footwear can be procured at a number of boutiques in Lloydminster, including Brixton Shoes & Accessories, Juxta & Brixton (a collaboration shop mixing fashion and footwear), Cliff Rose for Clothes, Crispin, Hot Peppers Clothing, Boutique Noir, and more. Take your tootsies on a spin around town to help you put your best foot forward! Don't forget to follow their social media pages, as they are known to host annual clearance sales you just can't miss. After all, who's ever said no to another pair of shoes?

FLAVOURS AND FUN

The Scoop

Whether you're on the hunt for a delightful brunch spot, a hot cup of coffee, or a classy restaurant, Lloydminster's thriving food scene is certain to satisfy every appetite. Explore the diverse offerings listed here, but we warn you, these descriptions will whet your appetite!

SPECIAL EVENINGS AWAIT

GOURMET DINING OPTIONS TO ENJOY

Celebrating a major milestone? Hosting the family for a long weekend? Bringing business partners into town? You're in luck! Take the stress of cooking out of the equation with Lloydminster's many fine dining options. For those who prefer a tasty meal complete with steak, wine, and all the sides, may we recommend a visit to Sawmill Prime Rib and Steakhouse, Three Trees Tap + Kitchen, or the newly opened Gold Horse Casino?

These licensed locations boast a full dining room, comfortable seating (with room for special event bookings), and friendly, competent staff. If you're planning on feeding a crowd, be sure to call ahead and confirm, as these popular hot spots often book up months in advance, particularly during busy holiday and conference seasons. For more options in Lloydminster's fine dining scene, check the listings section or visit DiscoverLloydminster.ca.

COFFEE, PLEASE CAFÉS AND SHOPS

Timber Café

Whether you enjoy a Flat White, Americano, flavoured latte, or a good ol' cup of joe, there are a range of locations ready to serve you the jolt of caffeine you've been craving. When on the west side, head to Starbucks for your pick-me-up. With comfortable seating, free Wi-Fi, and a range of gifts, this is a popular spot for visitors and locals alike. While on the south side, may we suggest a visit to Timber Café (located in Home Hardware) or Second Cup? Be sure to ask for your drink just the way you like it, as these locations offer a range of nut and coconut milks in addition to traditionally prepared beverages made with animal milk.

Firecrust

TRIED AND TRUE

TRADITIONAL TASTES SURE TO DELIGHT

They're called classics for a reason, and the Border City's dining scene is full of them! If you're searching for a taste of Greece, Spiro's Family Restaurant is just the ticket. They've been proudly family-owned and located in Lloydminster for over three decades. Their friendly staff serve a plethora of handmade Greek items including dolmades (beef, rice and spices wrapped in grape vine leaves), avgolemono (chicken lemon rice soup), moussaka (layers of eggplant, zucchini, potatoes, spices and ground beef), and souvlaki (chicken, beef, or lamb); plus their menu features a selection of Canadian delights including 2 for 1 lasagna, fettucini, and pizza. To learn more about Spiro and his family, check out the Community Services section for a nod to their legacy.

Looking for a quick bite amidst a busy day? Check out the range of buffets Lloydminster has to offer. Many have been around for over a decade, and serve an ever-changing menu of fresh, hot offerings and cool sides. If you're in the north end of the city, head to the Lloydminster Exhibition Grounds and check out their Exhibition Grill. This hotspot is popular with the locals as it's known for heaping plates at tremendous value. If you're craving authentic Asian, may we recommend Soleilki Asian Fusion or Touch of Asia Buffet? They serve a range of hot Chinese dishes, Canadian classics, and of course – dessert!

Another must-visit while in Lloydminster is the perfect stop for a sweet treat: The Scoop! This family-friendly ice cream bar is located adjacent to the Lloydminster Outdoor Pool. Typically open after May Long Weekend, the Scoop is home to a range of rotating flavours of hard ice cream, soft serve, and delightful salty bites including deep fried dill pickles, french fries, and onion rings. Take the whole family and see why the Scoop has been a mainstay in the food landscape of Lloydminster for many years.

NEW AND NOTEWORTHY

EXPLORE THE FLAVOURS OF LLOYDMINSTER

Do your taste buds crave adventure as much as you do? If your answer is a resounding yes, you're in luck! Lloydminster is home to new eateries certain to tickle your fancy and leave your tummy satisfied. If you enjoy a saucy, flavourful meal, may we recommend checking out a brand new restaurant called Wing'n It? Located in Downtown Lloydminster, this cozy location offers crisp salads, flatbreads, assorted appetizers, and – you guessed it – chicken wings! With sauces and spices ranging from one (mild) to five (extreme), you can enjoy a plate full of fresh, delicious wings complete with a side of your choosing. Finish your memorable meal with a Supershake; this milkshake comes complete with sprinkles, topped with a tiny cheesecake dessert, finished with decadent whipped topping.

For those seeking a taste of the Ukraine, we suggest a visit to Eats and Treats by Hotsuls. This specialty location is conveniently located on Highway 17, and offers homemade perogies, cabbage rolls, nalysnyk (think: Ukrainian crepes, sweet or savoury), kobbassa (spiced, fried sausage), meatballs, borscht, and more. If you're craving a donair, head to Marrakech Donair. Offering dine-in or take out options, this restaurant serves fresh donairs, wraps, salads, burgers, pizza, and kid's meals. Try their famous chicken shawarma wrap, hummus wrap, or falafel wrap. You'll love it!

Lloydminster has welcomed two new additions to the food scene. Red Swan Pizza, located in the Triumph Centre, opened in spring 2018. Their crew offers walk-in specials, pick-up, delivery, and boasts a range of exotic pizza flavours including spicy paneer, butter chicken, spicy ginger and coriander, plus all the traditional favourites like pepperoni, cheese, and Hawaiian.

Another newcomer to the food scene is the franchise Freshii. Located on the west side, this store offers a healthful alternative in a sea of fast food. Enjoy salads (we hear their market salad is to die for!) wraps (think: protein, fresh greens, and smooth sauces bundled into a tortilla), smoothies (we love the Freshii Green complete with pineapple, avocado, and greens), and juices, all chock full of nutrients and served just the way you like them.

LATE NIGHT BITE

SALTY SNACKS AND DELIGHTFUL DRINKS

There's always a reason to celebrate, and the Border City is home to a range of restaurants and pubs open for a cocktail and delicious late night bite. A mainstay in Lloydminster's pub and restaurant scene is Cheers. This restaurant recently relocated to a larger, brighter, newly renovated property on Highway 16. Call ahead for dinner specials, events, and entertainment. Located in the former Cheers location, The Proper is a fully licensed dining room and lounge. This site serves classic fare including burgers, sandwiches, steak, pasta, and more.

Searching for a franchise favourite while you're in town? Lloydminster has many to offer, including the newly renovated Original Joe's, newcomer Browns Socialhouse (located in the Hampton Square development on the west side of the city), and Fionn McCools. Each location offers comfortable seating for one (or many!), plus rotating food and beverage specials. Check the listings section for contact information so you can call ahead to make your reservation.

Locally-owned pubs include Bennigan's Irish Pub (located in the Travelodge Hotel), Neighbor's Pub (tucked in a quiet residential area), and Bo' Diddy's (52 Ave). Each location offers in-pub specials, seasonal events (New Year's Eve is a blast!) and entertainment including karaoke, a dance floor, and live music.

Looking for a local brewery? Head to 4th Meridian Brewing Company. While you're there, sample a flight of locally-produced beer to determine your favourite flavour. Enjoy the atmosphere while playing games, darts, or listening to live music. Before you go, be sure to purchase a growler to take home and enjoy at your leisure. They also have a collection of 4th Meridian merchandise you can buy!

Sawmill Prime Rib & Steakhouse

QUICK AND CONVENIENT

BURGERS, SANDWICHES AND MORE

Sometimes life calls for a quick and convenient meal, be it breakfast, lunch, or dinner. Luckily, Lloydminster has a range of options to help get you fed and on your way. Franchise options such as Tim Horton's, Arby's, and A&W offer breakfast and lunch options, plus a side of delicious coffee. If you're looking for something between bread, Burger King, Carl's Jr., Subway, Quizno's, McDonald's, and Wendy's are just a few favourites available. Check the listings section of the guide for complete details as to where you can satisfy your cravings.

Timber Café

FLOUR, EGGS, AND MILK

BAKERIES AND MORE

Sometimes a thick slice of freshly baked bread, toasted to perfection, slathered with butter then covered in jam, is all you need to make the world right again. In Lloydminster, there are several bakeries to visit, allowing you to have your cake (literally) and eat it too!

Try Yummy Breads and Groceries for a taste of the Philippines. This locally-owned bakery is a relative newcomer to Lloydminster's food scene, and offers delights such as coconut buns, Spanish bread, and more. If you're searching for both regular and gluten and dairy-sensitive baked goods, you must visit On the Border Bakeshop. Located on Highway 16, this small bakery packs a mighty punch and offers continuously changing flavours and specials. They're also available to make birthday cakes, cupcakes, cake pops, and other special occasion goodies.

When in the downtown core, head to Hey Sugar! Bakeshop. Affectionately dubbed "Lloydminster's original bakeshop," Hey Sugar! Bakeshop is locally owned and operated. Their delightful store features an array of sweets, sodas, candies, and giftables (think: stickers, pins, cards, and postcards), plus a selection of decadent cupcakes, cookies, shortbreads, and cakes. This bakery is worth the trip downtown. Check out the Shopping & Retail section of this guide to see where else you can shop while you're downtown!

Hey Sugar! Bakeshop

BRUNCH AND MUNCH

OMELETTES AND COFFEE

Looking for a morning or lunch bite? Working with appetites both big and small? Perfect! Lloydminster is home to many options for those who love to brunch. For starters, try Timber Café, located in Home Hardware Building Centre. This charming location offers both indoor and outdoor seating (weather pending), and serves a complete array of breakfast options, lunch ideas, and snacks. Plus, they're licensed! Try their fresh sushi, handmade by Bamboo Sushi on site while you sip on a coffee and Bailey's. Check the listings section for contact information.

If you're on the hunt for a stack of fresh, fluffy pancakes, crisp, salty bacon, with a side of perfectly cooked eggs, options await. Located on Highway 17, Cora's is a popular pick for individuals, couples, and families of all ages. Their rotating menu and seasonal features are certain to delight, and will have you coming back for more. If you're centrally located, head to Smitty's. This mainstay is located in the Holiday Inn and Suites on Highway 16, and serves family favourites like omelettes, scramblers, combination plates, and kid's meals. For those brunching on the west end, zip over to Denny's. Another franchise favourite, they're conveniently located near some stellar shopping so you can fortify yourself with brunch, then head out and hit the shops.

BREWS AND BANTER

GATHER YOUR FRIENDS AND ENJOY!

If you're looking for a locally-owned taphouse, look no further than 4th Meridian Brewing Company. Located on Highway 17, this eclectic site features a comfortable atmosphere complete with plush couches and chairs, high-top tables, and a collection of old school games, the perfect atmosphere to wet your whistle. Enjoy an evening with friends, co-workers, or family at this unique, locally-owned gem. They often host musicians, so call ahead to see who's providing entertainment. You may even end up singing along!

For those who love a hands-on experience, we suggest a visit to Lloyd Wine Outfitters. This locally-owned boutique is located in the heart of downtown Lloydminster, and offers a range of wine, ice wine, and beer kits. Whether you'd prefer to make your wine at home, or make use of their impeccable facility, you'll be raising a glass and toasting to your talent in no time.

Speaking of hands-on, for those who delight in a brew of a different sort (coffee lovers, we're looking at you), you simply must try Prairie Lily Coffee. This local company specializes in sourcing and roasting high quality arabica beans, and will even host private coffee tasting parties for you and your friends! Look for their beans in local grocery stores, boutique shops, and at farmers markets.

GATHER YOUR CHIPS, GOLD HORSE CASINO AND MORE

Gold Horse Casino

Officially opened in 2018, Gold Horse Casino is a newcomer to the lively entertainment scene in Lloydminster. ALL THINGS GREAT AND SMALL

THE BORDER CITY HAS THEM ALL!

Searching for a soft bunny, fuzzy kitten, or little pot-bellied pig to cuddle? Yes, you read that right! If animals are part of your love language, you simply must take a quick drive east of town. Border City Petting Zoo is home to a range of exotic and domestic creatures, including a lion, camel, jumping goats, and more. Pack a picnic lunch to enjoy when your adventure is complete, and bring home a souvenir from their gift shop. You'll have an adventure-packed day when you take in the sights and sounds at Border City Petting Zoo. Check out their contact information in the listings section of this guide.

If you prefer to enjoy animals from a distance rather than up close, we suggest experiencing the delight of Lloydminster's annual Fall Fest and Winter Festival. Both events feature complimentary horse-drawn wagon (or sleigh) rides, and allow you and your loved ones the chance to see beautiful, strong horses up close. Of course, if you're allergic (or simply not an animal lover) there's plenty to do when you search the City of Lloydminster's website and discover the range of events they host each year. Often free of charge, family-friendly, and chock full of activities to keep even the busiest toddler entertained, you'll love the memories just waiting to be made. Winter Spectacular, Culture Days, and Canada Day celebrations are just a few more of the wonderful special events hosted by the city. Check the Events and Festivals section for more details.

Of course, one can't think about entertainment without the Lloydminster Exhibition Grounds coming to mind. A veritable playground for all ages, this bustling venue hosts many animal-centric events including the Pride of the Prairies Bull Sale, Rare and Exotic Sale (have you ever seen a peacock up close?), and the annual 4-H Expo. In addition to the animal themed events, this popular venue facilitates hundreds of rentals each year, including

hosting multiple tradeshow, fairs, and performances. Rodeos, chuckwagon races, indoor sales events, musical performances (from big names including Tom Petty) and numerous charity events and galas round out the list of activities happening all year long. Like we told you, there's always something going on at the Exh!

IT'S A BIG PRODUCTION

DISCOVER THE DRAMATIC ARTS

Romance, comedy, musicals – whatever you crave, you'll be sure to find a sampling of it in our community. If you're a regular patron of the dramatic arts, or like hitting the stage yourself, you'll love what's available in the Border City. For children and youth, may we recommend checking out Lakeland College's children's theatre program? Featuring a range of parts (from main characters to the chorus line) the college hosts several large scale performances each year, featuring extravagant costumes, full musical scores, and stunning sets. Adults will be thrilled to know the Vic Juba Community Players accepts talent of all experience levels. They typically host open auditions and dazzle the audience with popular plays, generally performed over the course of a weekend with both matinees and evening shows to accommodate your busy schedule. In addition to the Vic Juba Community Theatre and Lakeland College, both high schools (Lloydminster Comprehensive High School and Holy Rosary High School) have thriving drama programs. Call the schools to learn when their performances are, and be sure to snag a ticket. The talent of these youth is second-to-none, and you'll be glad you attended. Finally, the annual Legacy Centre Senior Citizen's Dinner Theatre is a must-attend event. Hosted each spring, this colourful crew and cast perform during a dinner-theatre style fundraising event, which is certain to leave a smile on your face.

For those seeking hockey action at a younger level, may we recommend heading to the Archie Miller Arena, Russ Robertson Arena, or any of the neighbouring arenas in and around the Border City? Chances are you'll catch a game (or several) on any weekend during hockey season.

Lloydminster is known as a world-class hosting city, and for good reason. High-level national sporting events hosted over the past 10 years alone include Scotiabank Hockey Day in Canada, the RBC Cup, and the Alberta Colleges Athletic Conference (ACAC) Women's

Volleyball Championships, to mention only a few. Coming in 2020, Lloydminster will host the Saskatchewan Summer Games, welcoming over 1,500 youth athletes, coaches, and thousands of fans to cheer on their district in the sunshine. Check the City of Lloydminster's website for information about upcoming national championships or special events of this magnitude. You won't be disappointed.

The world of rodeo lives and breathes in the prairies, and Lloydminster and area is no exception. Highly competitive cowboys and cowgirls come to the Border City to take their chances in beating their personal best on the timeclock, while the crowd roars and the music blares. Lea Park Pro Rodeo, the Canadian Professional Chuckwagon Association (CPCA) Finals, the Bull Riders Canada (BRC) Finals, and the Three Cities Fair (including Bull-A-Rama event) are just a few of the entertaining acts you and your pals can enjoy. Check the Events and Festivals listing for more details.

ARTS & CULTURE

INSPIRED AND IMAGINATIVE

We Are One, No Borders Multicultural Showcase

In the beautiful Border City, there is much splendor to behold. Anywhere your travels lead you – whether in a tranquil space within the Lloydminster Cultural & Science Centre’s art gallery, or to a live performance at Vic Juba Community Theatre – there’s an opportunity to soak in the beauty provided by the arts and culture scene here.

OH, CANADA!

CELEBRATIONS AND CULTURE ABOUND

As diverse as we are beautiful, Lloydminster is the proud home of many unique cultures. The Lloydminster Ukrainian Cultural Association is an organization that was established 45 years ago and exists to preserve Ukrainian culture through the teaching and performance of folk dances, and sharing their roots and heritage. In a similar fashion, the Filipino Canadian Community of Lloydminster and Area, Lloydminster German Heritage Society, Lloydminster Native Friendship Centre, and Onion Lake Cree Nation host annual events designed to celebrate their heritage, enjoy fellowship with family and friends, while enjoying a delicious and authentic meal.

A wonderful, local event to partake in is the annual Culture Days, hosted at Lloydminster Cultural & Science Centre (LCSC). Celebrating its eighth year in 2019, this multi-faceted event is open to all ages and offers a chance for participants to engage all five senses as they partake in activities such as cultural dances, painting, tours, weaving, and more.

GENTLY LOVED

USED BOOKS

For voracious readers, Lloydminster is the home base of several thrift stores with plush used book sections. Check out For the Interval Thrift Store, The Olive Tree Thrift Store, or try and hit up the bi-annual Lloydminster Public Library book sale. Of course, come spring time, there’s are always garage, yard and estate sales worth checking out. For mere quarters, you can enjoy a new-to-you novel, journal, or magazine – you just have to dig!

A Moment in Time Mural

ART SURROUNDS US

GET OUTDOORS AND EXPLORE!

For those who love to move while enjoying the arts, we recommend a walking tour of Lloydminster's pretty downtown. There are a number of eye-catching murals including a unique depiction of the Barr Colonists' journey to their new settlement, a stunning painting of all things prairie designed inside the word LLOYDMINSTER, and most recently, a new piece completed by local artist Brandi Hofer, showcasing the innocence and imagination of a child playing.

For hockey lovers, take a quick zip to the east side of the city to see the unique mural done in honour of local hockey star Braden Holtby. Completed to monumentalize the Washington Capitals' win of the Stanley Cup in 2018, this unique piece features Holtby hoisting The Cup overhead in joyful triumph and adds lively art to the side of an overpass.

If you're walking around beautiful Bud Miller All Seasons Park, we encourage you to make a pit stop at the Bioclean Aquatic Centre. There, on the west side of the building, you'll see a lovely depiction of the symbolic border markers. Completed by artist-in-residence Laura Hale to memorialize the Olympic Torch Legacy Celebration, this piece is affectionately named Ekecheria. While in the neighbourhood, take a quick detour to the grounds of Lakeland College. Rising proud and strong, you'll see the colourful Buffalo Twins mural, depicting twin sisters in a loving embrace. Take a peek at page 60 to see a full list of all the beautiful outdoor pieces of art worth seeing up close and in person! We promise it's worth the effort.

In case you were wondering, yes, you can enjoy the beauty of Mother Nature while soaking in the spirit of arts and culture, just head to the

Arts Without Borders Festival. Hosted in June, this bustling outdoor and indoor festival is the brainchild of the Arts Without Borders Festival Society and brings together partners from across the city. Whether your preferred artistic expression is in written word, arts and crafts, photography, or through a rousing discussion, you'll soon learn (and see and hear) there's something for everyone at the Arts Without Borders Festival. For more information on this annual special event, head to the Events and Festivals section.

Speaking of sunshine, while you're perusing the homegrown produce at the Lloydminster Outdoor Farmers Market, Border City's Farmers Market, and Downtown Farmers' Market, be sure to keep an eye out for local artists and their wares. Handmade crafts such as wood carvings, children's toys (almost too pretty to play with), crocheted items, and natural beauty products (soap, lotions, and more) are all representative of local artisans showcasing the best of their craft for you to enjoy.

CREATIVES, UNITE!

HANDS-ON EXPERIENCES

Sometimes, you need to return to your childhood roots. Pen, pencil, paint, chalk, and more are the tools of choice, with imagination to fuel your creativity. If you're seeking a hands-on experience to enjoy solo, or with friends, you're in luck! Lloydminster is brimming with options for all ages.

If you like to paint, may we recommend a trip to Art Soul Life Creative Studio? This locally-owned boutique offers canvas, pottery, and giftable items you can select, then paint to your liking. They're lovingly glazed and finished, then available for pick-up a short while later. With a space designed to suit one, a few, or many, Art Soul Life is a wonderful option for those seeking to scratch their creative itch. Did you know they recently added a division to their business where guests can create their own stuffed toy? Create a Friend allows participants to choose a toy, then stuff it, dress it, and even add scents or sounds to it!

Lovers of fabric, felt, thread, and yarn will delight in the classes hosted in the Border City specifically designed to get their fingers moving! We recommend connecting with Country Quilts and Stitches, the Lloydminster Log Cabin Quilter's Guild, Sew in Tune, and Fabricland. Each offers a range of classes (from beginner to advanced) and special programs and events certain to delight anyone whose chosen creative expression comes through textiles. For those who enjoy working with their hands (think: brush lettering, jewellery making, and pottery) be sure to explore the many options offered through the Lloydminster Cultural & Science Centre. This site hosts special programs and evening or weekend classes for a range of skill levels. Contact them directly to learn what's new.

RECOGNITION AND RESPECT

LLOYDMINSTER CULTURAL & SCIENCE CENTRE

Have you wondered why Lloydminster is called "Lloydminster"? Or pondered how the early pioneers made ends meet back in the early days? Perhaps you're curious as to how oil is produced in this rich region? If you're seeking answers to your questions, let us point you in the direction of Lloydminster Cultural & Science Centre (LCSC). This City-owned property is a museum, art gallery, meeting space, and more! Operating six days of the week, you're certain to enjoy your time as you wander through Fuchs Wildlife Display, let your gaze drift in the Imhoff Art Gallery, and expand your mind in the OTS Heavy Oil Science Centre. Come summer, be sure to take your imagination outdoors as you peer into an original sod home, view vintage farm machinery, and pretend you're a pioneer just like the Barr Colonists!

BIG BANDS

MUSIC TO (AND FOR) YOUR EARS

Hans Christian Andersen (a famous Danish author) said, "Where words fail, music speaks," and we believe you'll agree once you have a listen to Lloydminster's thriving music scene. From rock concerts, jazz numbers, school band concerts, and more, the Border City has something for every musical taste. For those seeking a side of dinner or drink with their musical renditions, we recommend Station 51 or Fionn McCool's. Both offer a rotating selection of local and away bands. Connect with them to see who's next in their lineup.

Vic Juba Community Theatre (Vic Juba) is located in Lakeland College, and is lovingly known as one of the many gems in Lloydminster's crown. This expansive theatre boasts seating for 550 guests, is fully accessible, and is home to a splendid technical system. Big name artists such as Serena Ryder, The Dead South, Aaron Pritchett, and more have graced the stage over the past year. In addition to musical acts, Vic Juba regularly features children's shows (think: The Wiggles), musicals (think: Grease), ballet, and dance performances. Tickets can be purchased online, in person, or over the phone, and often sell out, so be sure to contact the Vic Juba for full details.

A newcomer to Lloydminster is Gold Horse Casino. This bustling enterprise is located on the east side of the city. Along with traditional casino games, Gold Horse features an events centre which showcases a range of entertainment specialties including cover bands, country musicians, live comedians, and more. Check their website for the most up-to-date listings and ticket information.

For those who live for a cool breeze on a hot summer night while tapping their toes to a great beat, you absolutely must check out the Boundary Ford Concert Series, hosted during Colonial Days Fair. This

exciting annual event is hosted in July and is a highlight for many Lloydminster residents. It features live music, beer gardens, comfortable outdoor seating, and tented areas so you can listen in any atmosphere you choose.

Of course, don't forget the many special events hosted in Lloydminster all year long! From the popular Malanka Dancer's Ukrainian New Year's Eve Celebration, to Oktoberfest, to annual fundraising events such as the Health Foundation Gala, these events feature live performances by talented musicians. Check the Events and Festivals section in the guide to stay on top of what's happening next!

I (SERIOUSLY) LOVE DRAMA!

ACTING IN THE BORDER CITY

Whether you're a Tom Hanks, a Meryl Streep, or someone in between, Lloydminster has many programs to offer the budding actors in your life. Try Lakeland College Performing Arts, which offers performing arts summer camps, plus theatre for children. Full length performances by these talented little ones often reach sold out status within mere days of announcing their show. For the teenage set, check out high school performances featuring Holy Rosary High School or Lloydminster Comprehensive High School drama students. These talented youth take the stage with confidence, charisma, and often hilarity! Connect with the schools directly to see what's coming to their stage next.

If you prefer taking the stage yourself, you're in luck. Vic Juba Community Theatre is home to an adult acting troupe, called the Lloydminster Little Theatre Players. These talented individuals typically call for auditions early each fall, then practice, practice, practice until opening night. In addition to the Players, make note of a special, multi-day, dinner theatre fundraiser hosted each year at the Lloydminster Legacy Centre. This senior's centre is a hub of activity all year round, with their annual drama production raising funds needed to keep the centre operating. Performances feature locally-grown talent including director, actors, actresses, and musicians. This special event sells out, so call the Legacy Centre to confirm dates and ticket details as soon as you can!

Speaking of well-maintained, did you know there are over 35 parks in Lloydminster? Whether you're just starting out (there are a variety of "little" leagues, for children starting as young as three years old), honing your craft, or enjoy a casual game or two over the course of the week, the Border City offers numerous leagues in almost every sport imaginable. Remember, if you're new to the area, the City of Lloydminster hosts bi-annual registration nights featuring a showcase of local activities and groups including sports teams, dance studios, special interest clubs, and more. Check the listing section to discover all the ways you can keep your endorphins up regardless of the season.

WHOLENESS AND WELLNESS

MENTAL HEALTH IN THE BORDER CITY

Alongside caring for your physical wellness, may we recommend trying some new experiences focused on you? Whether you're looking to sweat it out on the mat (or spin bikes), or take a meditation class, Oasis Hot Yoga & Spin Studio downtown has you covered. There are many wellness-focused businesses that offer reiki massages, reflexology, and even sound therapy, right here in the Border City. Vivid Salon | Spa | Wellness comes to mind, or visit Serenity Healing Crystals & Books for an option you can try in the comfort of your home.

If you prefer something outdoors, a long walk along the verdant paths in Bud Miller All Seasons Park, a cycle along the winding trails throughout the city, or a calm paddle on the waters of nearby lakes and ponds can provide a moment of much needed reflection, giving you space for gratitude and can help you gather your thoughts as you prepare for the next phase of your journey. In Lloydminster, there are many places and spaces to help support your mental health.

HIT THE TRAIL

PATHWAYS TO EXPLORE

Adventure abounds when you're running (or walking, or cycling) on Lloydminster's many winding trails, pathways, and self-guided walking paths. For those inclined to test their speed in a timed race, may we suggest checking out one of the many run events hosted throughout the year? Check the Events and Festivals section for a list of several charity and fun runs hosted in the Border City. If you're searching for a group to help you stay motivated, check out 261 Fearless Club Lloydminster, Pure Revival Lloydminster, and Lloydminster Runners on Facebook. These local groups often host training sessions (a wonderful way to check out the trails), social events (a great opportunity to meet new friends) and provide the moral support you may be craving. Speaking of social events, if you love cycling, check out Lloydminster Pedal Bike Club. This group meets regularly (come rain or shine) to cycle throughout our beautiful Border City, often concluding with a social event at a local hot spot. Whether you're walking, running, or cycling, keep your eyes peeled for signage dotting the entries and exits while you're out on the trail. These signs display alternate routes, and help you track your mileage while you're making a mile in the Border City.

GREAT GARDENS

GROW YOUR OWN!

Fresh, juicy tomatoes, leafy, green lettuce, and crisp, crunchy cucumbers... yum! If you have a green thumb but not a lot of space, Bud Miller All Seasons Park is worth checking out. The City of Lloydminster owns a set of urban garden plots, allowing you the opportunity to get active while growing your very own fresh vegetables, fruits, and flowers. Come mid-summer these plots are lush with abundant greens, adding to the ambiance of the Park. You may even notice some local gardeners digging in (literally!) as you're enjoying a walk or bicycle ride. Connect with the City online or by phone to confirm the date of the garden plot draw, then start imagining the possibilities of your very own summer produce.

WATERY FUN FOR ALL

MAKE A SPLASH IN LLOYDMINSTER

Sometimes the best memories can be made with the simplest ingredients. In Lloydminster the combination of sunshine, a pool or spray park, and a group of friends makes for a memorable experience. For those inclined to enjoy watery fun complete with diving boards and slides, you simply must head to Lloydminster Outdoor Pool. This site is perfect for hours of fun, and regularly hosts special events (think: Late Night Date Night and Swim in Movie), swimming lessons for all ages, and public swimming. The spray park, located in the heart of Bud Miller All Seasons Park, is a delight for all ages. Pack your bag, find a comfortable spot to settle in, and enjoy hours of fun with the sprayers, fountains, and water features in this safe, family-friendly space. Of course, if you'd prefer to stay active at the lake, there are plenty of those nearby. Check the Within Driving Distance section of this guide for a full list of local areas you're certain to love!

GOLF COURSES, MINI GOLF AND MORE

Sling your clubs over your shoulder and get ready for a round (or two) of golf, because Lloydminster's got it all! For those seeking to perfect their game, may we suggest a visit to Rolling Greens Fairways and RV Park, or Lloydminster Golf & Curling Centre? Both offer a stunning 18-hole course, licensed dining facility, and special programming including Men's and Ladies Nights come summer. Of course, memberships and lessons are available. For those seeking to get out of the city and tackle the challenge of a new-to-you course, the towns of Kitscoty, Marwayne, Lashburn, and Macklin offer beautifully cared for greens within driving distance. Another great alternative is Sandy Beach Regional Park; with their newly renovated course, it's worth the short trip (20-minutes north of Lloydminster)! If you're golfing with the little ones try The Putting Zone, located in beautiful Bud Miller All Seasons Park. This entertaining mini golf course comes complete with 18 holes, a range of challenges (think: get the ball over the bridge, up the ramp, and more), and fun animal characters who make perfect backdrops for selfies and family pictures.

FOR THE LITTLE ONES

BURN OFF THEIR ENERGY INDOORS

Busy toddlers and children can be challenging to keep entertained, especially when the winter months hit. You're in luck in the Border City, due to the sheer amount of indoor entertainment activities available. If you're heading to the south side, may we recommend a trip to Servus Sports Centre? This jam-packed site often offers family fun days in one of their indoor field houses complete with bouncy houses, games, and activities designed for the whole family to enjoy. While you're at Servus Sports Centre, strap on your skates and take your little one for a spin on the children's ice surface. Designed for toddlers and children learning how to skate, this safe, enclosed space is small enough to keep them nearby and large enough to allow them to glide freely. Another great indoor space is the children's playground at Midwest Family Connections. Located in Lloydminster's downtown core, this bright and bustling playground includes slides, towers, balls, and a range of activities perfectly designed to keep toddlers' minds engaged and their bodies moving.

WINTER

A winter wonderland does exist, and you'll discover it in Lloydminster and area. Don your warmest outdoor gear, pack up the hot chocolate and marshmallows, and get set to enjoy a breath of fresh air (literally!) as you and your loved ones' crunch across the packed snow in the great outdoors.

POWDER HOUNDS, UNITE!

SKI, SNOWSHOE, AND SNOWBOARD IN MOTHER NATURE'S BEST

If the sight of the first snowfall brings joy to your heart, you might just be a powder hound who's happiest on the slopes. If that's the case, you're in luck. You don't need to plan a trip to the mountains, hours away; instead, enjoy the best of Mother Nature's slopes and trails right here in our very own backyard. Head to Mount Joy Ski and Snow Resort, just minutes outside city limits, for a full day on the slopes. No need to worry about rentals, lessons, or a warm chalet, they have it all. For a larger hill with more challenging terrain, we recommend a drive to Table Mountain. Located near North Battleford, SK, Table Mountain features lessons, a tube park, terrain park, and a large, licensed chalet. For those outdoor warriors who prefer the comfortable whoosh of skis on a flat surface, try cross-country skiing along the trails in Bud Miller All Seasons Park, Lloydminster Golf & Curling Centre, or on the special trails 20 kilometres northeast of the city, specifically designed by Lloydminster Cross Country Ski Club. These locations also welcome snowshoers, so bundle up, strap on your snowshoes, and get ready for an exhilarating afternoon or evening enjoying the pristine, icy beauty only winter can offer.

FROZEN FUN

SLIPPERY SLOPES AND TERRIFIC TOBOGGANS

Your heart will race with delight as you slide down a slippery hill with the world whizzing and whooshing by. Once the snow falls, we recommend burning off some energy with your family and friends at one of Lloydminster's many tobogganing hills. Check the list to discover what's closest to you, then gear up and head out for a day of frozen fun!

SWEAT IT OUT**GYMS, FITNESS CLASSES, AND MORE**

Fitness is well within your reach in the Border City, as there are a range of options to keep you motivated and having fun while reaching your fitness goals. If you're looking for a membership-based option, may we suggest one of the many gyms in the Border City? Servus Sports Centre, Motion

Fitness, Fit4Less, Viking Strength Systems, Progressive Fitness, and Fit Body Boot Camp are just a few of the alternatives perfectly designed to help get your sweat on at a pace you're comfortable with. Check out the listings section for a full range of options.

If you prefer to focus on the benefits of both mind and body, we recommend checking out the range of yoga classes and programs in the Border City. Pure Vibe Fitness Studios, Oasis Hot Yoga and Spin Studio, Serenity Yoga Studio, and Servus Sports Centre offer a range of classes including pre- and post-natal yoga, adapted yoga (for those with chronic illness), warm yin (perfect for beginners), hot hatha, and hot flow. Check with each individual site to learn their schedule and rates.

INDOOR SPORTS LEAGUES**SPORTS, SOCIALIZING, AND SWEAT**

Here's a great way to meet new people, engage your body in a favourite activity, and work toward your fitness goals – whatever they may be: join a local indoor sports league. From adult recreational basketball to soccer, to volleyball, badminton, curling, hockey, and many more, there's literally something for everyone. Check the listings section for a full range of options, and remember, the City hosts a bi-annual registration night where many of these leagues and clubs are present. Mark your calendar and be sure to attend in person. You may be surprised to learn what's out there, and you could find yourself trying something new and absolutely loving it!

These are just a few of the delicious delicacies grown, raised, and prepared on Acton's Lower Shannon Farms. Head north on Highway 17, and soon you'll be transported into a veritable greenhouse wonderland! Locally-owned and operated, Acton's Lower Shannon Farms is home to several greenhouses, barns, gardens, an indoor commercial kitchen, retail space, and charming, enclosed rental area. Their focus is to offer local, sustainable, hormone and chemical-free meats, produce, preserves and more from their farm to your table.

If you're hankering for a good ol' fashioned country adventure, we recommend a visit to Graham Town. Established in 1997, this family-owned site is located just a stone's throw outside of Lloydminster, and offers full-day adventures including riding lessons, visits to the "town" include an old general store, church, school house, saloon, jail, doctor's office, cabin, a 20 foot teepee – and a delicious, wholesome lunch. Connect with them to book your group for a day of adventure you're sure to talk about for years to come.

Green thumbs will unearth their home away from home in the many greenhouses Lloydminster and area has to offer. Discover Kathy's Greenhouse and Garden Centre, located near Kitscoty, AB. This charming site offers a greenhouse chock full of house plants, annuals, perennials, trees, bushes, and more; as well as a curated space complete with giftables, home décor, accessories, and candles. Head south of Lloydminster to explore Wickham Nurseryland, another local gem in the landscape of all things greenery and gardening. This site offers power equipment and servicing, pond supplies, trees, gardening products, topsoil, and more. Additional options to explore include Greenjay Greenhouses (open seasonally), and within city limits: Home Hardware Building Centre, Peavy Mart, and Canadian Tire.

LET IT SNOW, LET IT SNOW

GET OUTDOORS!

Outdoor enthusiasts, rejoice! Lloydminster and area are teeming with places and spaces designed to get your blood pumping in the great (wintry) outdoors. For the athlete, may we recommend a visit to Mount Joy Snow Resort? Located just 20 minutes south west of Lloydminster, this volunteer-run ski and snowboard hill offers rentals, lessons, a comfortable chalet, and often hosts special events. Connect with them for full details. Table Mountain Regional Park is a larger ski and snow enterprise located between Paynton and North Battleford, SK. This site is home to a terrain park, 11 unique trails (of varying levels of difficulty), tube park, lessons, rentals, and a rustic chalet complete with lounge and dining room. Kinosoo Ridge Snow Resort, located near Cold Lake, AB, is another option. Read further in this section for more details. If you're a lover of all things snow, ice, and powder, you'll have no trouble tracking down some slopes within driving distance.

Frozen ponds, arenas, and ice skating surfaces abound in the area. For a scenic skate right within the city, head to Bud Miller All Seasons Park. The frozen surface is only limited by your imagination, and marks the perfect spot for a game of shinny, a race around the edge, a leisurely weekend skate, or a lovely location to pull your little ones along in their sled. For those seeking a new arena to offer a change of scenery, may we recommend heading to the neighbouring towns of Kitscoty, Marwayne, or Lashburn? All are home to well-cared for arenas, with town pride evident from the ice surface to the stands to the changerooms. Call ahead to see when their family skating times or recreational hockey games occur.

A SOUTHERN JOURNEY

HIT THE OPEN ROAD

Pack up your vehicle, grab a hot coffee to go, and hit the open road – you're heading south, to new destinations just waiting to be discovered. While you're en route, you'll notice the gigantic wind turbines in the distance as you head to your destination of Dillberry Lake Provincial Park (Dillberry Lake). At Dillberry Lake, enjoy front country hiking, birding, swimming, fishing, and boating. There's a number of picnic sites, campfire basins, and shelters so you can enjoy a tasty grilled hot dog or hamburger after your day of exploring. If you're staying the night, you'll be comfortable in their campsites tenting it or in your own RV. Be sure to connect with the park centre if you're planning on staying for an extended period of time.

Continue your journey southward to the town of Macklin, SK. Located near the border, this community is home to the world's largest bunnock. Affectionately known as "bones," the game of bunnock is Macklin's claim to fame. It is believed that the game of bunnock was originally devised by soldiers to pass the time during the cold winter months. Each year, the annual Bunnock Tournament attracts thousands of players from around the world. While in Macklin, be sure to take a selfie with the 32-foot high fibreglass bunnock statue. Be sure to bring your clubs for a round at Macklin Lakeview Golf Club. This 9-hole course features immaculately groomed greens, a brand new, licensed clubhouse, rentals, and lessons. If you're looking to cool off during the summer months, take a trip to Macklin Lake. Boating, swimming, waterskiing, and tubing are just a few of the family-friendly activities you can partake in while enjoying some leisure time in this friendly community.

This shop features an array of apparel including everyday wear, party attire, dresses, denim, footwear, accessories, and more. Check out their social media sites to see when they're hosting yoga classes; how cool would it be to take your own mat and wish namaste to someone from another community? For western lovers, may we recommend a tour of Branded Western Wear? This new retail store is home to a curated selection of denim, hats, shirts (both casual and dressy), and boots.

Take in the breathtaking scenery of the area at Vermilion Provincial Park. Regardless of the season, there are so many activities available to help get your heart pumping. Take a hike along the front country of Vermilion River, gear up your bicycle (or fat bicycle come winter) for an invigorating ride along the many trails, or prep your canoe or kayak for a memorable paddle. Come summer, enjoy a game of baseball or soccer on the many open spaces.

ROAM TO WAINWRIGHT

DISCOVER THE BATTLE RIVER VALLEY!

Located near the stunning Battle River Valley, Wainwright is a gem of a town just waiting for discovery! Enjoy a leisurely drive through the picturesque countryside, then don your most comfortable walking shoes as you take in the sights and sounds of this charming community.

Home to Canadian Forces Base (CFB) Wainwright, this particular location is primarily used as a training base for the Canadian Armed Forces and is home to between 600 and 1,000 people depending upon the season. While you're visiting Wainwright, we encourage you to explore their historic downtown. Major funds have been invested into the restoration of iconic landmarks including Old Town Hall, Wainwright Hotel, and the CN Rail.

Of course, while you're there you simply must make time to visit a few pieces of iconography. Head to 10 Street and view Canada's largest buffalo. Erected in 1965, this statue was designed by Heiko Hespe. The legacy piece was designed to help remember the many buffalo who wandered in Buffalo National Park. While you're on 10 Street, take a sombre moment to reflect at the Memorial Clock Tower. This important installation was built in memory of those who lost their lives in World War I and World War II, and each Remembrance Day Wainwright townspeople gather to lay wreaths in memory of those who fought for our freedoms.

Seasonal special events in Wainwright and area include their annual Arts Festival (hosted in February), the Agricultural Fair (hosted in June), and Come By the Hills Music Festival (hosted in August). If you're visiting for a special event, take the time to explore some of Wainwright's diverse retail and shopping scene.

Check out Front Porch Merchantile, a charming retail store featuring an old general store atmosphere styled with a modern day twist. Shop their selection of décor items, apparel, giftables, and farmhouse-themed finds. For those who favour vintage pieces, may we recommend a visit to The Iron Raven? Located in downtown Wainwright, this lovely location is home to unique, handmade crafts, fine and decorative art, as well as a selection of antique and vintage décor items. To round out your adventure in locally-owned

boutiques, be sure to step into Voilà!. Another artfully curated shop, this site features home décor items (think: vases, bedding, throws, kitchenware, permanent botanicals, and candles) as well as trendy apparel and accessories.

If you're shopping for clothing, take a peek at Sprouts n Jabbers. This delightful baby and children's clothing store features brand name clothing, gift items, and special occasion outfits. For women's attire, head to Crabbapples, a locally-owned boutique. They offer a curated selection of women's apparel, hats, scarves, jewellery, handbags, accessories, and more.

After a day of enjoyment in Wainwright, you're likely to have worked up quite the appetite! Whether you're travelling solo, or you've brought your troupe along for the ride, the Honey Pot Eatery & Pub will satisfy any craving. They have been part of the community for over three decades, and feature delightful bites artfully prepared by Red Seal chefs. If you're in the mood for a beverage before you enjoy your dinner, may we recommend you try pub favourites like BBQ bacon meatloaf and fish 'n chips along side your brew? For those seeking gourmet fare, take a bite of their delicious honey lime chicken, vegetarian stir fry, or their mouth-watering steak and lobster. Round out your satisfying meal with an indulgent dessert such as Nutella mousse, or the strawberry banana pavlova. Reservations are highly recommended.

Cold Lake

SCENIC COLD LAKE

WONDERFUL WATER AND MAGICAL MEMORIES

For those longing for the sights and sounds of the vast open water, we recommend a visit to scenic Cold Lake, AB. This picturesque community celebrates the best of both land and water, with a string of trails perfect for cycling, walking, or jogging, plus a vast number of beaches, as well as the popular Cold Lake marina.

In the summer, enjoy a paddleboard, canoe or kayak ride, or a chartered boat adventure hosted by a knowledgeable local. If you prefer to set up beachside, pack your picnic basket and water gear and head out for a day of enjoyment at Kinosoo Beach. This stretch of sand extends to the size of three city blocks, and is home to a splash park, playground, volleyball courts, concession stand, and roped-in children's swimming area. Canadian Geographic Magazine named Kinosoo Beach one of Canada's Top 25 beaches, and after a day enjoying the sun and sand you'll understand why!

Come winter, Cold Lake transforms into a snowy wonderland. Expend your energy snowshoeing or cross country skiing in one of their many parks and recreational spaces. Kinosoo Ridge Snow Resort offers fun for the whole family including skiing and snowboarding lessons, rentals, a tube park, and hosts the popular annual Snow Fever Winter Festival each February.

The retail scene is thriving in Cold Lake. For those who love the thrill of the hunt, take a drive to downtown Cold Lake and check out Orbiting Trends or Thriftology. These locally operated second-hand stores are a treasure trove of books, records, vintage jewellery, furniture, antique serving ware, and more. Five Star Music and Trading Post, and Frontier Pawn Shop carry an array of pre-loved instruments, tools, furniture, records, jewellery, and more. Dining in Cold Lake is adventurous, varied, and delicious. If you're

near the water, you're in luck. Locally owned restaurants and bistros are in plentiful array, within walking distance, and offer a scenic view alongside your lunch or dinner. Looking for a snack or icy cool ice cream treat? Check out Clark's General Store and Eatery. This location is only open during the warmer months (typically May through October), and is an iconic part of the city's landscape. Enjoy hot bites such as chicken fingers and fries, burgers, and sandwiches, or indulge in one of their many flavours of ice cream. Sit outside on their cute patio, or take your treat by the water and watch the sailboats come in.

While in the city, you must make time to visit Beantrees Café. What began as a charming coffee shop has evolved to include a give-one-take-one library, games room, maker space, art gallery, and more. Artfully prepared lunch items include rotating daily soup specials (one option is typically prepared with special consideration given to dietary needs), handmade paninis, thick sandwiches (served with a side of crunchy potato chips and a pickle), fresh-baked cookies and cheesecakes, and more. The owners of Beantrees Café took their investment into the art and culture scene one step further with the development of The Grande Parlour. Located adjacent to their café, The Parlour is home to regular musical concerts, performances, plays, and hosts a regular farmer's and artisan market throughout the year. Connect with The Grande Parlour to see what's on stage the next time you're in Cold Lake.

HISTORY TO DISCOVER

A LOOK BACK THROUGH TIME

Our area has a lot of rich history just waiting for you to discover. From the beginning of agriculture in the west, to Louis Riel, our region has a deep history worth exploring.

Uniquely located in the original Paradise Valley (Alberta) grain elevator, the Climb Thru Time Museum displays authentic artifacts, objects, and art celebrating the birth of agriculture and rural life in Western Canada.

The Frenchman Butte Museum (near Paradise Hill, Saskatchewan) offers a museum ideal for an interactive afternoon away (or longer if you desire, as they also have a full-service RV Park too). Explore the history of this region and learn about 'the Battle of Frenchman Butte' from 1885, Louis Riel, and check out an original Hudson's Bay Company trade musket.

The town of St. Walburg, and the city of North Battleford also offer amazing museums worth the drive. If you're looking for something a bit closer to home, may we suggest the Lloydminster Cultural & Science Centre? With so many great options, we recommend you visit them all!

WORTH THE DRIVE

YOU'LL LOVE DISCOVERING THE REGION!

Read the Within Driving Distance section for more accommodation options within a short drive. Imagine waking up to the warmth of the sun on your face, the smell of roasted coffee brewing, and the view of a crystal clear lake out your front window. That dream could be a reality if you booked your stay at one of the many surrounding lakes such as Turtle, Brightsand, or Little Fishing Lake. Head south and explore Dillberry Lake Provincial Park where you can hike in the morning, swim in the afternoon (or ice fish if it's winter) and cozy up to a fire at night. With campsites available for small or large groups, you'll be sure to find a place to call your own when the sun goes down.

LIVING IN LLOYD

GET INVOLVED

Lloydminster Clock Tower

As a community over 100 years old, Lloydminster has roots extending far, wide, and deep. Many families have called Lloydminster home for generations, and a number of these families established successful enterprises during the early days. Keep your eyes open for names like McCaw, Weir, Musgrave, Kondro, and Kokonas. These entrepreneurs began businesses that are now owned and operated by second; and in some cases, third-generation family members. The craft they've honed over decades and the services provided make them a veritable part of the fabric of Lloydminster.

Our goal is to help them tell their story, authentically, and to the right audience (we also want it to look gooooooood when they do). If you'd like to peak behind the curtain and see what it's really like to work with us – follow us on Instagram, Facebook or Twitter @RedBicycleCom – or better yet, contact us directly. We always love meeting new people (especially when they bring coffee – hint, hint).

We are experts in outdoor advertising – utilizing our permanent billboards, digital billboard, portable billboards, and other portable signage. We can really make sure you get your message to the maximum amount of people possible. The digital billboard on Highway 16 and College drive was one of our larger, and more recent, expansions – which has allowed us to help local businesses reach an estimated 63,319 people each and every day.

Thank you, everyone, for your support over the years. Discover Lloydminster, and this printed guide specifically, would not be possible without you.

All information is accurate to the best of our ability at the time of printing. Please note, should a business not be listed in the guide, it does not indicate a lack of approval of the aforementioned business. In fact, we encourage readers to get involved and submit business information, discover new gems in our community, and share great events. To do this, please visit our website or contact us directly via email.

If you'd like to be an advertiser, please send us an email to request the ad package. We'll be more than happy to send it your way. Our guide is 100% funded through ad sales, and as such, we truly couldn't do it without the great local businesses who have purchased an ad. If you see one of those businesses in our community, please thank them for us, and let them know you appreciate their support in this value-added resource.
